RE: **Meeting on July 9th at Orland Memorial Hall on Transmission Lines Project Proposed by *TANC HAS BEEN CANCELLED**

Due to the recent news that Sacramento Municipal Utilities District, as the largest shareholder, has pulled out of the *Transmission Agency of Northern California's Transmission project (TPP), TANC notified Glenn County that all meetings scheduled in July have been postponed. Therefore, the meeting scheduled for July 9th in Orland is being postponed until further notice.

The Glenn County Board of Supervisors remains keenly aware of the concerns and will keep the public apprised to any further development and of future meetings to be held on the project.

All letters and faxes that were received by the Board of Supervisors were copied and forwarded to TANC and the Western Area Power Administration.

If you wish to continue to submit comments regarding the project, you may send, email or fax to:
