TO: Prospective Bidders
RE: Requests for Information (RFI) Response

June 9, 2017

Questions received are in black, County response is in red.

1. Is it possible for us to attend a site walk with a person knowledgeable with the landfill?

We will not be hosting a site walk due to staff availability.

2. Haling & Associates (H&A) has been the contractor for this work for over 10 years and their contract has been extended multiple times. Is the County currently satisfied with the services being provided by H&A? Have there been any performance issues with H&A? If so, will H&A be allowed to provide a proposal for this solicitation?

The County has not had any performance issues with H&A and is satisfied with their work to date. Haling & Associates is allowed to provide a proposal in response to this solicitation.

3. Is the County willing to negotiate the proposed agreement such that the indemnification section is consistent with existing and upcoming California state law?

Yes. Bidders should advise the County in their proposal of any provisions for which they have alternative wording, or any provisions which they cannot accept.

Thank you for your consideration of our request.

A handwritten signature in blue ink, appearing to read 'CG', is written over a horizontal line.
