Old Business

- a. Ambulance Task Force – Last meeting was in January please see attached minutes.
- b. Statewide Tabletop Exercise – Glenn County and the City of Willows hosted a multi-jurisdictional agency table top exercise in November at Willows City Hall. Amy Travis presented on the strengths and areas of improvement needed that were identified at the table top exercise. It was agreed upon that focus is needed on the Nixel and Reverse 911 systems to insure that needed information is disseminated out to the public. It was discussed that a group be put together consisting of County, City of Willows and the City of Orland employees that would present to the public regarding the alerting networks that are available. The Public Health booth at the Glenn County Fair could also be utilized to inform the public and possibly assist people with inputting their information into the alerting systems. Information would need to be presented at the Glenn County Board of Supervisors, Willows City Council and Orland City Council. A simple brochure would need to be created with assistance from the Sheriff's Office.
