

# CARNIVAL FOR A CURE

*A Community Celebration Honoring  
Survivors, Caregivers, & Those We Have Lost to Cancer*

As volunteers with the American Cancer Society, we are excited to share with you a wonderful event that we are planning on April 21<sup>st</sup> at the Willows High School Track & Field. This is a celebration **Honoring Survivors, Thanking the Caregivers, and Inviting Family and Friends** to join us, as well as the community to support the mission of finding a cure and ending cancer. This exciting new event will include games, food, prizes, and fun for the entire family but, most importantly, will highlight a special program for those people that deserve recognition for their fight, their personal struggle, their journey, their triumph, and to honor the people who care for them.

Your involvement is important, not only to have a great event, but because you matter. By coming together and participating, you touch the lives of people in this community who, like myself, have heard those life changing words "You have Cancer."

As part of our celebration, we will be recognizing our Survivors and Caregivers. If you are a cancer survivor or caregiver or know of any cancer survivors that would like to be recognized, please email or fill out the form below to receive a recognition form. We will also be remembering loved ones lost if you would like to submit their name. Please use the form below and fill out the names of the individuals you want to hear mentioned. The more people we have on our list, the bigger the impact it will be for everyone in the community. It will bring to light that the number of people diagnosed with cancer is ever increasing and for the survivors, it will show them that they are not alone in this journey.

Think of all the people in our community. Our children's teachers, our public safety personnel, the farmers, business owners, Co-workers and neighbors all either know someone who has had cancer, experienced it themselves, or been impacted within their family and circle of friends.

If you want to honor a survivor, recognize a caregiver, and/or remember someone who has passed from cancer, please fill out and send their information on the form below. We look forward to the opportunity to dedicate a moment to **honor, thank, appreciate, and remember** those special people in our community.

## **Willows High School - Track Field Saturday, April 21, 2018**

If you would like us to honor a caregiver who has made an impact during your cancer journey or remember a loved one lost to cancer, please fill in the information below and send this form to: Relay For Life **P.O. Box 1182, Willows, CA 95988** or email to: [teresachavezRFL@gmail.com](mailto:teresachavezRFL@gmail.com). If you are a cancer survivor or would like to honor a cancer survivor, please fill the contact information below or email a request to the addresses listed above. Due to privacy regulations and respect for personal health information, cancer survivors must provide written permission to be included as a public mention in the program. We will send the permission form to the survivor once we receive the contact information provided below. You do not need to be present for the names to be mentioned.

In addition, if you would like to include a picture, please e-mail the photo to the address above or contact us in the e-mail above and we can arrange to scan the picture for you. We are so honored and excited to include so many cherished members of our community in this moving event.

Please write clearly their name and provide a short message. There is no limit to the number of names you submit.
