Remote Accessible Vote BY Mail Ballot (RAVBM) allows voters with disabilities the option to receive and mark their ballot electronically. Due to the Executive Order #N-64-20, this has been extended to all voters for this election only. Once a voter completes and reviews their ballot, it must be printed and mailed back to the Elections Office postmarked by Election Day, November 3, 2020.

To request a Remote Accessible Vote By Mail Ballot, complete the application and then print it by clicking the link below.
