**RE: Proposition 15 - California Schools and Local Communities Funding Act of 2020**

Honorable California Legislators,

On behalf of the Glenn County Board of Supervisors, I am writing to express our strong opposition of Proposition 15, which is aimed at increasing funding sources for public schools, community colleges and local government services by changing tax assessment of commercial and industrial property.

Glenn County does not anticipate this legislation benefiting our local communities and we stand willing to assist in formulating a solution that works for all. Thank for your consideration of our position.

Sincerely,

Leigh W. McDaniel  
Chairman  
Board of Supervisors, County of Glenn  
State of California
