NEGOTIATION AGREEMENT
COUNTYWIDE COST ALLOCATION PLAN

County of Glenn
Willows, California

Date: June 30, 2017
Filing Ref: GLE18

Pursuant to federal Office of Management and Budget (OMB) Circular 2 CFR Part 200, the State Controller's Office formally approves the Countywide Cost Allocation Plan as described in Section I for use in the **2017-18** fiscal year. This approval is subject to the conditions contained in Section III.

Departmental indirect cost proposals should clearly identify those costs that have been distributed through Sections I and II of this agreement in accordance with the guidelines of the responsible grantor agency for that department. Further, data processing systems may be subject to grantor agency approval prior to the reimbursement of certain costs allocated, billed, or cost applied from the Data Processing Department.

SECTION I: COSTS DISTRIBUTED THROUGH COUNTYWIDE COST ALLOCATIONS

The indirect overhead and support service costs listed in **Schedule A** (attached) are formally approved as actual costs for the **2015-16** fiscal year and as estimated costs for the **2017-18** fiscal year on a "fixed with carry-forward" basis. These costs may be included as part of the costs of the county departments indicated effective **July 1, 2017**, for further allocation to federal grants and contracts performed by the respective county departments.

**SECTION II: COSTS DISTRIBUTED THROUGH BILLING OR COST
TRANSFER MECHANISMS**

In addition to Section I, which provides for services furnished but not billed, the services listed above are furnished and billed to state/local departments and agencies.

Direct charges from the above centers should be billed or cost applied in accordance with the procedures established by the county as described in its Countywide Cost Allocation Plan and may be included as part of the costs of the county departments indicated in Section I.

SECTION III: CONDITIONS

A. LIMITATIONS: Use of the amounts contained in this Negotiation Agreement are subject to any statutory or administrative limitations and, when ultimately allocated to individual grants or contracts through the indirect cost proposals of each county department, are applicable only to the extent that funds are available. Acceptance of the amounts agreed to herein is predicated on the conditions: (1) that no costs other than those incurred by the county were included for distribution in its Countywide Cost Allocation Plan as finally accepted, and that such costs are legal obligations of the county and allowable under the governing cost principles, (2) that similar types of costs have been accorded consistent accounting treatment, and (3) that the information provided by the county that was used as the basis for acceptance of the amounts agreed to herein is not subsequently found to be materially incomplete or inaccurate.

B. CHANGES: Fixed amounts contained in this Negotiation Agreement are based on the organizational structure and the accounting system in effect at the time the proposal was submitted. Significant changes in the organizational structure or changes in the method of accounting for costs that materially affect the amount of reimbursement resulting from use of the amounts in this Negotiation Agreement will require prior approval of the authorized representative of the responsible negotiation agency. Failure to obtain such approval may result in subsequent audit disallowances.

C. FIXED AMOUNTS: The fixed amounts contained in Section I of this agreement are based on an estimate of the costs that will be incurred during the period to which the amounts apply.

When the actual costs for this period are determined, any differences between the fixed costs used as an estimate and the actual costs will be considered in a subsequent agreement.

D. BILLED COSTS: Charges for the services cited in Section II will be billed or cost applied in accordance with the procedures established by the county and recorded on the books of the cost center providing the service. Such charges will be based on the actual allowable costs, as defined by OMB Circular 2 CFR Part 200, incurred by the cost center responsible for providing the service. Any differences between the billed allowable costs and the actual allowable costs for a particular accounting period will be considered in a subsequent agreement.

E. NOTIFICATION TO STATE AND FEDERAL AGENCIES: Copies of this document will be provided to other state and federal agencies as a means of notifying them of this approval.

F. SPECIAL REMARKS: None.

**COUNTY OF GLENN
CERTIFICATION OF COST ALLOCATION PLAN**

1/27/2017

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

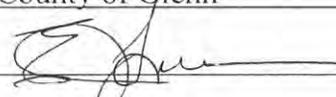

- (1) All costs included in this proposal dated 01/27/2017 to establish cost allocations or billings for 07/01/17 to 06/30/18 based on activities from fiscal year 2015/16 are allowable in accordance with the requirements of OMB Circular A-87, "*Cost Principles for State and Local Governments*" and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.
- (2) All costs included in this proposal are properly allocable to federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the Federal awards to which they are allocated, in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

The Facilities Admin Direct, Building Maintenance, Janitorial Services and Utilities functions of the Facilities Maintenance service department were eliminated in prior year plans. These functions transferred from a general fund service department and were reclassified to the Facilities Internal Service Fund. Costs associated with these functions continue to be directly charged outside of the A-87 plan and allocated to departments at the time of service. Schedules related to these functions have been removed from this plan.

Building and equipment use allowance were converted in the prior year cost allocation plan from use allowance percentage calculation to the depreciation basis calculation to comply with 2 CFR Part 200 reporting requirements. Additional schedules are included behind the narratives of each section listing the specific assets, cost, acquisition date, useful life, use allowance information.

The 2017/18 A-87 Cost Allocation Plan was calculated by the County Department of Finance using Microsoft Excel.

I declare that the foregoing is true and correct.

BUILDING USE**

1/27/2017

FY 15/16 Actual

Non-Federal entities may be compensated for the use of its building capitalized in accordance with GAAP. This includes the total construction, improvement and acquisition costs of County buildings, but excludes land and interest costs which are unallowable. Building use allowance schedules were converted in fiscal year 2014/15 from a 2% use allowance calculation to a straight-line depreciation calculation to comply with 2 CRF 200 §200.436 guidelines. During a review of the fixed asset system adjustments were made to both additions & deletions to bring the fixed asset system in to balance with audited financial statements. Buildings are removed from the use allowance charge when they become fully depreciated. Detailed asset information and depreciation schedules as shown on schedule 1.01A and 1.01B.

During a review of the fixed asset system adjustments have been made to both additions & deletions to bring the fixed asset system in to balance with audited financial statements. Assets are removed when they have been fully depreciated. Detailed asset information and depreciation schedules are shown on schedule 2.01A and 2.01B. Equipment owned by Enterprise Funds and Internal Service Funds are not included in this calculation. Equipment which has been expensed to Grant Programs such as Mental Health, Social Services, Child Support, Homeland Security grants, Road, Job Training Partnership Act fund are also excluded from this calculation. The County did not bill for these costs in fiscal year 2015/2016.

**COUNTY OF GLENN
COUNTY ADMINISTRATIVE OFFICER**

1/27/2017

FY 15/16 Actual

Based on action of the Board of Supervisors the County Administrative Officer position was eliminated in fiscal year 2009-10, however, there are on-going retiree health insurance coverage expenses charged to this budget unit. The County Administrative Officer had the following primary duties and responsibilities: acted as the primary administrative advisor to the Board of Supervisors, acted as the Clerk of the Board, oversaw operation of the County Personnel Department, researched and investigated areas that could result in greater economy and efficiency in County operations and assisted in the annual budgeting process.

The functions of the County Administrative Officer included:

1. COUNTY ADMINISTRATIVE OFFICER: This function is eliminated from the plan due to lack of staff and time study information.
2. BUDGET: This function is allowable for plan purposes and is allocated based on the relative budget size of the adopted final budget. Due to the lack of time study information the total expenses of the County Administrative Officer budget unit have been allocated to departments based on the relative budget size.
3. GENERAL GOVERNMENT: This function is unallowable and has been excluded from plan calculations.

**COUNTY OF GLENN
DEPARTMENT OF FINANCE**

1/27/2017

FY 15/16 Actual

In Glenn County, the Auditor-Controller and Treasurer-Tax Collector are combined to form a consolidated Department of Finance. The Auditor-Controller division is responsible for the following major functional areas: Budget preparation and assistance, Payroll, accounting and reporting, check processing, auditing and General Government: i.e., Tax Roll preparation. The Treasurer-Tax Collector division provides property tax processing, collections and investing services.

The department maintained time records during fiscal year 2015/2016 that reflect the amount of time spent working in these major functions. All costs of this department are distributed to functions based on their proportionate percentage of total time reflected on the time sheets.

The general administrative column in this schedule includes the time spent in providing a service where a specific allowable activity has not been assigned or where the supervision of more than one activity is involved. Such items as telephone reception expenses are allowable for plan purposes and are spread to the major functional areas based on salaries.

1. **BUDGET & COST PLAN:** This function is allowable for plan purposes and is allocated based on relative budget size of the final working budget.
2. **PAYROLL:** The payroll function allocates costs based on the number of employees in each department. Employee count information is taken from payroll reports.
3. **ACCOUNTING:** This function consists of time spent working with departments and special districts on various reports, special accounting projects, auditing and accounting for Social Services, Community Action, proprietary funds, Road, Health Services, special revenue funds, and debt funds. Time spent in preparing reports such as the County Financial Reports is also included in this function. This function is allocated based on time study records.
4. **CHECK PROCESSING:** Checks often contain transactions affecting multiple departments or budget units. Since there is not a one-to-one relationship between the department and a single check the total number of checks and electronic benefits processed are allocated to departments based on the number of transaction units related to the issuance of those checks and electronic benefits.
5. **AUDITING:** Internal audit costs are normally billed directly for the services provided. This function is shown in the plan for memorandum purposes only.
6. **TAX ADMINISTRATION:** The tax administration function is unallowable for A-87 distribution and is shown in the plan for memorandum purposes only.
7. **GENERAL GOVERNMENT:** The General Government function is unallowable and has been excluded from plan calculations.

Credit has been applied for those items that were direct billed during fiscal year 2015/16.

COUNTY OF GLENN
ANNUAL AUDIT

1/27/2017

FY 15/16 Actual

The costs associated with the countywide audit performed by an independent accounting firm are captured here.

Two functions are identified, Countywide Audit and Special Audits. The total cost represents the costs identified on the audit invoice.

1. COUNTYWIDE AUDIT: The function "Countywide Audit" includes those charges that are not directly identifiable to a specific department and are allocated based on relative budget size of the adopted budget.
2. SPECIAL AUDITS: The function "Special Audits" includes direct charges for specific audit services related to preparation of the annual Schedule of Expenditures of Federal Awards. Costs are allocated based on the relative single audit report size and subsequently offset by the direct billed cost of services.

**COUNTY OF GLENN
COUNTY COUNSEL**

1/27/2017

FY 15/16 Actual

The County Counsel acts as the legal advisor to the Board of Supervisors, County Schools and all County Departments and Special Districts. The functions of the County Counsel office include: legislative services, legal services, direct contract services and general government. The department maintained time records during fiscal year 2015-2016 that reflect the amount of time spent working in these major functions. Costs of this department are distributed to functions based on their proportionate percentage of total time shown on the time sheets.

1. LEGAL SERVICES: This function consists of County Counsel's time spent working with departments and special districts while providing various legal services and opinions.
2. LEGISLATIVE: This function consists of County Counsel's time spent working for the Board of Supervisors on various legislative topics.
3. DIRECT CONTRACT SERVICES: The function "Direct Contract Services" includes charges for specific contract services that require an independent, external opinion. Direct costs are allocated to the departments covered by the specific contract services. In fiscal year 2015-16 the County experienced additional expenses for outside counsel services due to Public Records Act litigation related to the District Attorney's office.
4. GENERAL GOVERNMENT: The General Government function is unallowable and has been excluded from plan calculations.

The County Counsel direct billed departments and special districts for services in fiscal year 2015-16. Credit has been applied for those items that were direct billed.

**COUNTY OF GLENN
PERSONNEL**

1/27/2017

FY 15/16 Actual

The Personnel Department costs are allowable for cost plan purposes. There are three functions within the Personnel department: Personnel Arbitration and Applicant Testing. The Personnel Director has also been appointed to act as the County Safety Officer. Expenses related to the safety program have been eliminated with an interfund revenue cost adjustment reduction on the Costs to be Allocated Schedule 7.02.

1. PERSONNEL: Personnel services are allocated based on the number of employees working in each department. The employee count information is taken from payroll reports.
2. ARBITRATION: A separate function has been created to allocate arbitration costs to the specific department(s) receiving the services.
3. APPLICANT TESTING: A separate function has been created to allocate applicant testing expenses to the specific departments such as law enforcement and merit system programs that require specialized pre-employment testing of applicants. This function is allocated to departments based on actual costs of the function. Departments are direct billed to cover the cost of testing materials.

The Personnel department bills departments directly throughout the year for various services including advertising, recruitment and arbitration services. Departments have been given credit for those items that were direct billed.

**COUNTY OF GLENN
GENERAL INSURANCE**

1/27/2017

FY 15/16 Actual

The General Insurance budget unit was charged with the cost of the County's insurance premium from Golden State Risk Management Authority. These costs are allowable for plan purposes. The department's insurance cost is summarized and distributed in five functions called General Liability (exposure), Claims Liability (experience), Buildings, Auto and Watercraft Equipment.

1. **GENERAL LIABILITY (EXPOSURE):** The experience / exposure split for fiscal year 2015-16 is 70%/30%. This was established by assigning the experience portion equal to the amount of the 7-year average claims history. The remaining 30% is the exposure portion and is allocated based on relative budget size of the adopted final budget.
2. **CLAIM LIABILITY (EXPERIENCE):** Experience is allocated based on the 7-year average claims history.
3. **BUILDINGS:** Building insurance costs are distributed based on the departmental square footage occupied by each department.
4. **AUTO PREMIUM:** The auto premium is a separate policy specifically covering Human Resource Agency owned vehicles. This is allocated to the Human Resource Agency based on direct costs of the premium.
5. **WATERCRAFT EQUIPMENT:** The watercraft equipment premium is also a separate policy specifically covering Sheriff's Boat Patrol equipment. This is allocated to the Boat Patrol program based on direct costs of the premium.
6. **MOBILE EQUIPMENT:** The mobile equipment premium is a separate policy specifically covering Road Department equipment. This is allocated to the Planning & Public Works Agency based on direct costs of the premium.

The County is not self-insured but is a member of a risk sharing pool. The County's insurance is provided via Golden State Risk Management, Joint Powers Authority. The County has transferred any risk to Golden State Risk Management Authority. All administration is done by GSRMA and the County does not receive an actuarial report.

Golden State Risk Management Authority also covers the County's worker compensation insurance. The premium is also split by Golden State on a 70% experience / 30% exposure calculation using on a 7-year average claims history. The experience portion is charged to departments on a quarterly basis outside of the A-87 plan. The exposure portion is charged to departments through the bi-weekly payroll process. Those departments that are required to prepare a quarterly expense claim to the State are including these expenses in their reports.

The County did not direct bill for these services in fiscal year 2015-16.

FY 15/16 Actual

The Employee Benefits department was established to account for countywide employee benefits that are not charged directly through the payroll process. The functions and the allocations are as follows:

1. PRE-EMPLOYMENT PHYSICALS – Costs are allocated to departments based on the number of physicals performed.

DATA PROCESSING SERVICES**

1/27/2017

FY 15/16 Actual

The Data Processing service department contains vendor payments for the four major data processing applications: Property Taxes, Finance Network, Countywide Network and Countywide IT Pro-Support Services:

1. **PROPERTY TAX:** The costs associated with the property tax function are transferred to the two major users— Department of Finance and Assessor based on tax related direct salaries and benefits in each department.
2. **FINANCE NETWORK:** The costs associated with the accounting function are transferred directly to the Department of Finance.

The County directly bills departments for various data processing expenses. Credit has been applied to the affected departments.

FLEET OPERATIONS INTERNAL SERVICE FUND

1/27/2017

FY 15/16 Actual

This fund is used to account for revenues and expenditures related to the purchase and maintenance of vehicles used in County business including public safety, public works, and other county departments. Expenditures are first incurred in the fund and charges are assessed to the County department or agency utilizing the vehicles.

Costs of Fleet operation and vehicle maintenance, as well as, estimated cost of vehicle replacement of all vehicles is recovered on a per mile rate based on a minimum of 600 miles per month. Mileage rates are established annually by Fleet Management and approved by the Board of Supervisors by resolution.

The cost of Pool Vehicles (vehicles kept in the County yard and used by departments as needed) are set at a rate competitive with the cost of renting a vehicle from commercial vendors. Rates are established annually by Fleet Management and approved by the Board of Supervisors by resolution.

A portion of the allocated charges include an amount for replacement of that vehicle. Fund balance accumulation consists of the reserve for vehicle replacement.

Staff expenses associated with this fund were transferred to a new special revenue fund in fiscal year 2014/15 to comply with GASB and GAAP reporting requirements.

**COUNTY OF GLENN
FACILITIES INTERNAL SERVICE FUND**

1/27/2017

FY 15/16 Actual

This fund is used to account for salaries & benefits and services & supplies incurred for the Facilities Division of the Planning & Public Works Agency. Costs are accumulated and charged to the various County departments. Rates are set in accordance to State of California Accounting Standards and Procedures For Counties outlined in the State Controller's Office Division of Accounting and Reporting manual dated MAY 2003.

Cost Distribution Factors include the following:

Direct billed hours - The number of hours that staff directly attributed to an operation, functions, funds, etc. indicates the level of activity involved in the management of that operation. Hours are documented on supervisor approved timecards.

Direct salary & benefit cost - All hours are billed at an actual cost recovery rate specific to each staff person in accordance to the State of California Cost Accounting guidelines. The cost per billable hour gives consideration to those operations that may not require a high number of staff support hours but does require higher level, professional staff. Hours are documented on supervisor approved timecards.

Services & Supplies - Services and supplies expenses are tracked to specific projects which are then allocated to the individual departments. The method of allocation is dependent upon each expense and project but is either a direct cost transfer or factored based on square footage percentages of each occupant.

Staff expenses associated with this fund were transferred to a new special revenue fund in fiscal year 2014/15 to comply with GASB and GAAP reporting requirements.

**COUNTY OF GLENN
DATA PROCESSING INTERNAL SERVICE FUND**

1/27/2017

FY 15/16 Actual

The Data Processing internal service fund is used to account for countywide computer expenses. Costs are allocated to departments at the time of payment based on the number of devices or users in each department, relative budget size or time study hours. The County is moving in a direction to direct bill as much of the IT services as possible, therefore, volume and activity in this fund will increase in future years as the expenses for the countywide pro-support services contract and other countywide expenses are transferred from the general fund service department in to the internal service fund. Separate individual activities are also transitioning from multiple departments and being consolidated in one internal service fund location to maximize enterprise licensing agreements and bulk purchasing savings.
