RE: Administrative Permit 2019-001
APN: 044-280-069
Approval Notice

Dear applicant:

The application for an Administrative Permit for a second residence in the “RE-5” (Rural Residential) zoning district is an allowed use under the Glenn County Code.

On June 24, 2019, the Glenn County Planning & Community Development Services Agency approved the requested Administrative Permit. Enclosed is one copy of the Staff Report for your reference. Also enclosed is a separate copy of the Conditions of Approval. Please sign the Conditions of Approval where indicated and submit to the Glenn County Planning & Community Development Services Agency, 777 North Colusa Street, Willows, CA 95988, prior to issuance of a building permit.

Please note that this is NOT a building permit. Please contact the Glenn County Building Inspection Division at (530) 934-6546 for information on acquiring a building permit.

Sincerely,

John Lanier
Assistant Planner

I. ENVIRONMENTAL REVIEW:

California Government Code Section 65852.2 states that applications for second residences shall be considered ministerial without discretionary review; therefore, this project is Statutorily Exempt from environmental review pursuant to Section 15268, "Ministerial Projects", of the Guidelines of the California Environmental Quality Act.

II. PROJECT APPROVAL:

The project is permitted per Glenn County Code §15.350.020 (Permitted Uses) Section (N) second residence per each parcel of land (refer to minimum residential construction standards);

1 PROJECT SUMMARY

The applicant has applied for an Administrative Permit to construct a 1,152 square foot second residence with overall dimensions of 28 feet by 48 feet with a height of approximately 16 feet.

The parcel is zoned “RE-5” Rural Residential Estate (4.25-acre minimum parcel size) and is designated “Rural Residential” in the Glenn County General Plan. The site is located at 4646 County Road FF, approximately 1.5 miles northwest of Orland, south of County Road 9, west of County Road G, north of County Road 10½, and east of County Road FF, in the unincorporated area of Glenn County, California. The Assessor’s Parcel Number (APN) for the 5.6 ± acre site is 044-280-069.

1.1 RECOMMENDATIONS

Staff recommends that the Director find that this project qualifies as a statutory exemption within section 15268 of the California Environmental Quality Act.

Staff also recommends that the Director approve the Administrative Permit with the Findings as presented in the Staff Report and the Conditions of Approval as attached.

2 ANALYSIS

The existing residence, with a proposed second residence, is consistent with zoning in this area. Zoning allows for second residences with an approved Administrative Permit. Parcels in this area of Glenn County are served by individual wells and sewage disposal systems.

2.1 ENVIRONMENTAL DETERMINATION

The second residence as proposed is not anticipated to introduce potentially significant impacts to the environment. California Government Code Section 65852.2 states that applications for second residences shall be considered ministerial without discretionary review. Government Code Section 65852.2(a) (3) states the following:

(3) When a local agency receives its first application on or after July 1, 2003, for a permit pursuant to this subdivision, the application shall be considered ministerially without discretionary review or a hearing, notwithstanding Section 65901 or 65906 or any local ordinance regulating the issuance of variances or special use permits.

Therefore, this project is Statutorily Exempt from environmental review pursuant to Section 15268, “Ministerial Projects”, of the Guidelines of the California Environmental Quality Act.

2.2 GENERAL PLAN AND ZONING CONSISTENCY

The parcel is designated “Rural Residential” in the Glenn County General Plan and is zoned “RE-5” (Rural Residential Estate, 4.25-acre minimum parcel size). The project site currently has one residence and the proposed second residence is a permitted use within “RE-5” zoning. The project is consistent with surrounding land use because the area consists of rural residential uses associated with agricultural use. The proposal is consistent with zoning and the General Plan.
2.2.1 “RE-5” Exclusive Agriculture (Glenn County Code Chapter 15.350):

Permitted Uses (Glenn County Code §15.350.020):

The proposed second residence is a permitted use under Glenn County Code §15.350.020(N). *One second dwelling subject to Chapter 15.175.*

Maximum Building Height (Glenn County Code §15.350.070):

The proposed height of the residence is approximately 16 feet; therefore, it will not exceed the maximum height of thirty-five feet for residential structures within Rural Residential Estate zoning.

Minimum Yard Requirements (Glenn County Code §15.350.060):

Plot plan depict front, side and rear yards all exceeding 30 feet; therefore, minimum yard requirements will be met.

2.2.2 Second Dwellings (Glenn County Code Chapter 15.175):

Standards (Glenn County Code §15.175.020):

A. *A proposed second dwelling shall be permitted only after an application has been filed with the planning authority.*

B. *All proposed second dwellings shall meet the standards in Chapter 15.590.*

C. *After a determination by the Planning Director that the proposed second dwelling meets all applicable standards, the application shall be approved.*

2.2.3 Minimum Residential Construction Standards (Title 15 Unified Development Code, Chapter 15.590):

Applicability (Glenn County Code §15.590.020):

*All single-family dwellings, mobilehomes, modular homes and temporary dwellings shall meet the minimum residential construction standards set forth in this Chapter.*

Standards (Glenn County Code §15.590.020):

A. *All single-family dwelling units permitted under the zones established under Chapter 15.300 shall meet the following:*

1. *All units shall be attached to a permanent foundation, pursuant to Health and Safety Code Section 18551. The proposed residence shall be placed on a permanent foundation system.*

2. *An efficiency dwelling unit, as defined in Section 17958.1 of the California Health and Safety Code, shall be allowed provided that it meets all requirements of the building code. At 1,512 square feet, the proposed secondary residence is not an efficiency dwelling.*
3. **Mobile homes shall be certified under the National Manufactured Home Construction and Safety Standards Act of 1974 and be at least constructed after 1979.** Manufactured homes, as defined in Section 18007 of the California Health and Safety Code shall be allowed provided they meet the requirements of this chapter. All mobile homes shall install skirting prior to the final inspection by the building division.

4. **All units shall be designed so that exterior walls are framed with a minimum of two inch by four inch (nominal) studs.** The walls will be framed with 2 inch by 6 inch studs.

B. **All second dwelling units shall meet the following:**

1. All units shall meet the requirements of paragraph (A) of this subdivision.

2. Attached second units shall have their own entrance separate from the primary dwelling. An entrance common area which then provides access to each individual dwelling unit shall be acceptable. The proposed secondary residence is not attached to the primary dwelling; therefore, it is not applicable.

3. The requirements of Chapter 15.610 shall be waived in the event that there is insufficient space to park one vehicle in addition to the parking required for the primary dwelling. There is sufficient space for one additional parking space.

4. In accordance with California Government Code Sections 65852.2 (a)(1)(B)(i) and 68582.2(c), no maximum size is imposed on second dwellings provided that it does not exceed lot coverage requirements. At 1,512 square feet the second residence will not exceed lot coverage requirements.

C. **Travel trailers, recreational vehicles, or other similar vehicles capable of travel on public roadways shall not be allowed as a dwelling.** The proposed development is a permanent structure.

Exceptions (Glenn County Code §15.590.050):

A. Travel Trailers and mobile homes not meeting the above standards located in mobile home or manufactured housing parks or trailer parks subject to the applicable provisions of the Health and Safety Code of the State of California, or in any public camping ground. Not Applicable.

D. Mobilehomes that meet all of the applicable requirements of section 15.590.020, except for the requirement that the mobile home be 1980 model year or newer, may be permitted in the Agricultural zone, provided that an inspection by the Building Inspector confirms compliance with all other requirements in this Chapter. Not Applicable.

C. Mobilehomes placed on an individual lot in accordance with applicable laws and ordinances at the time of installation may remain at the existing location. The permitted use of such mobilehome shall run with the land and shall be transferable to subsequent purchasers. If such mobilehome is moved within the county it must be installed in conformance with this chapter. Not Applicable.
2.3 GENERAL PROVISIONS

Flood Zone Designation:
Flood Zone “X” (shaded) and “A” according to Flood Insurance Rate Map (FIRM) No. 06021C0165D, dated August 5, 2010 issued by the Federal Emergency Management Agency (FEMA). Flood Zone “X” (shaded) is one of the areas of minimal flood hazard with a 0.2% annual chance (or 500 year) flood. Flood Zone “A” is one of the Special Flood Hazard Areas (SFHAs) inundated by the 1% annual chance flood event. No base flood elevations or base flood depths are shown within either zone. Since the building site is not within the boundaries of Flood Zone A, as designated by FEMA, a Flood Elevation Certificate will not be required before issuance of a Building Permit.

Environmental Health Regulations:
The applicant will be required to comply with all domestic well and sewage disposal system regulations prior to issuance of a building permit for the second residence.

3 PUBLIC BENEFIT

Housing is desirable because it will increase the housing stock in the County and housing opportunities for families. The proposed second residence is consistent with the “AE-40” zoning. Additionally, the State Legislature has declared that “…second units are a valuable form of housing in California” (Government Code §65852.150).

4 NOTICE TO APPLICANT/AGENT

This Administrative Permit is not a building permit. It is the applicant’s responsibility to secure the necessary permits from all affected federal, state, and local agencies.

5 FINDING

In accordance with §15.175.020 of the Glenn County Code, it is determined that the proposed second dwelling meets all applicable Glenn County codes.
CONDITIONS OF APPROVAL

Administrative Permit 2019-001

APN: 044-280-069

Single-family (second) residence

1. That the project activities shall be confined to those areas as shown on the Site Plan being identified as Exhibit “A” as submitted and on file at the Glenn County Planning & Community Development Services Agency.

2. That this Administrative Permit shall expire if it is not executed within one (1) year from its approval date. Execution of the permit is defined as having had substantial physical construction and/or use of the property in reliance on the permit or application for a building permit has been made.

Acknowledgment:
I hereby declare that I have read the foregoing conditions, that they are in fact the conditions that were imposed upon the granting of this permit, and that I agree to abide fully by said conditions. Additionally, I have read the staff report and I am aware of codified county, state, and/or federal standards and regulation that shall be met with the granting of this permit.
