1 PROJECT SUMMARY

Terry Giesbrecht has applied for an Administrative Permit to construct a 3,773 square foot second residence.

The parcel is zoned “R-1” Single Family Residential Zone (20,000 square foot minimum parcel size) and is designated “Single Family Residential” in the Glenn County General Plan. The property site is located at 797 Main Street, south of 8th Street, west of Main Street, north of County Road 35, and east of County Road J, in the Artois area of Glenn County, California. The Assessor’s Parcel Number (APN) for the .32± acre site is 020-350-022.

1.1 RECOMMENDATIONS

Staff recommends that the Director find that this project qualifies as a statutory exemption within section 15268 of the California Environmental Quality Act.

Staff also recommends that the Director approve the Administrative Permit with the Findings as presented in the Staff Report and the Compliance Requirements as attached.

2 ANALYSIS

The existing residence, with a proposed second residence, is consistent with zoning in this area. Zoning allows for a second residence with an approved Administrative Permit. Parcels in Artois are generally served by onsite sewer systems and domestic wells.

2.1 ENVIRONMENTAL DETERMINATION

The second residence as proposed is not anticipated to introduce potentially significant impacts to the environment. California Government Code Section 65852.2 states that applications for second residences shall be considered ministerial without discretionary review. Government Code Section 65852.2(a) (3) states the following:

(3) When a local agency receives its first application on or after July 1, 2003, for a permit pursuant to this subdivision, the application shall be considered ministerially without discretionary review or a hearing, notwithstanding Section 65901 or 65906 or any local ordinance regulating the issuance of variances or special use permits.

Therefore, this project is Statutorily Exempt from environmental review pursuant to Section 15268, “Ministerial Projects”, of the Guidelines of the California Environmental Quality Act.

2.2 GENERAL PLAN AND ZONING CONSISTENCY

The parcel is designated “Single Family Residential” in the Glenn County General Plan and is zoned “R-1” (Single Family Residential, 40,000 square foot minimum parcel size). The project site currently has one residence and the proposed second residence is a permitted use within “R-1” zoning. The project is consistent with surrounding land use because the area consists of residential uses. The proposal is consistent with zoning and the General Plan.
2.2.1 "R-1" Single Family Residential (Glenn County Code Chapter 15.370):

The proposed second residence is a permitted use under Glenn County Code §15.370.030.(G). One second dwelling subject to Chapter 15.175.

Maximum Building Height (Glenn County Code §15.370.080):
The proposed residence is 27’ tall and will not exceed the maximum height of thirty feet for residential structures within R-1 zoning.

Minimum Yard Requirements (Glenn County Code §15.370.070):
Plot plan depicts the front yard at 50’, side yard at 65’, and rear yard at 300’; therefore, minimum yard requirements shall be met.

2.2.2 Second Dwellings (Glenn County Code Chapter 15.175):

All mobile homes shall install skirting prior to the final inspection by the building division.

B. All second dwelling units shall meet the following:

1. All units shall meet the requirements of paragraph (A) of this subdivision.

2. Attached second units shall have their own entrance separate from the primary dwelling. An entrance common area which then provides access to each individual dwelling unit shall be acceptable. 4. In accordance with California Government Code Sections 65852.2 (a)(1)(B)(i) and 68582.2(c), no maximum size is imposed on second dwellings provided that it does not exceed lot coverage requirements. The second residence will not exceed lot coverage requirements.

C. Travel trailers, recreational vehicles, or other similar vehicles capable of travel on public roadways shall not be allowed as a dwelling. The proposed development is a permanent structure.

Not Applicable.

C. Mobilehomes placed on an individual lot in accordance with applicable laws and ordinances at the time of installation may remain at the existing location. The permitted use of such mobilehome shall run with the land and shall be transferable to subsequent purchasers. If such mobilehome is moved within the county it must be installed in conformance with this chapter. Not Applicable.
2.3 GENERAL PROVISIONS
