Revised 6/2018

GROWERS THAT UTILIZE PEST CONTROL OPERATORS

1. Restricted Material Permits are only issued to the operator of the property or his/her authorized representative.
2. Growers are responsible to assure that all conditions and requirements of the permit are followed by the pest control operator.
3. Recommendations are required for **ALL** applications of restricted materials by the pest control operator.
 - a. Recommendations may be issued by a pest control advisor or by the permit holder.
 - b. The person signing the recommendation assumes complete responsibility for the recommendation.
4. Pest control operators must have a copy of the permit and recommendation before an application can start.
5. Pest control operators may submit use reports utilizing the growers permit number.
6. Pest control operators may submit notices of intent for the grower at least 24 hours in advance.
7. Within 30 days after application the PCO must submit a copy of the use report to the grower. (This is for the grower records only; grower **IS NOT** to report this use to the Ag Commissioner.)
