SEALER OF WEIGHTS & MEASURES

April 1, 1976

Dr. L. T. Wallace, Director
State Department of Agriculture
and
The Honorable Board of Supervisors
County of Glenn

Gentlemen:

I am pleased to submit the 1975 Annual Crop and Livestock Report for Glenn County as required by Section 2279 of the California Agricultural Code.

Agriculture receipts for 1975 were \$94,472,000, down approximately \$9,000,000 from the 1974 record high. Rice and cattle showed a marked decrease in price, while fruit and nut crops suffered a decline in both yield and price. These crops accounted for the major portion of the reduction in gross farm receipts for 1975. However, sugar beets and vegetable crops were up with vegetable crops showing signs of becoming an important new crop to the county.

I wish to express my appreciation for the cooperation and assistance of all individuals who contributed to this report, and especially members of my staff who compiled the reports.

Respectfully submitted,

Ed Romano
Agricultural Commissioner
