

APPENDIX TO TITLE 19 OF GLENN COUNTY ADMINISTRATIVE MANUAL

EMPLOYEE INSTRUCTION OR TRAINING REQUIREMENTS IN CCR T8

Training is an essential part of a safety and health program to protect workers from work related injuries and illnesses. Training in the proper performance of a job is an investment of time and money well spent. An effective program of employee safety and health training can result in fewer work related injuries and illnesses, better morale, and lower insurance premiums. The following is a sequential listing of titles for specific employee instruction or training requirements contained in the California Code of Regulations, Title 8, which may apply to employees in your department depending on their job assignment:
