

**HAMILTON CITY**  
 Special Recycling event  
 presented by: Green  
 Planet Plastics, ACRC  
 contractor, Interstate AG  
 Plastics and  
 Sponsors listed below

**Rinsed  
 Containers,  
 PLEASE  
 NO TRASH, CAPS,  
 LABELS – TOSS ‘EM!  
 8:00 to 2:00 Only**

Once again, we are joining forces in **GLENN County** to help Agriculture with  
**all** their cleaned plastic **pesticide containers**.  
**ONLY Triple Rinsed Pesticide Containers will be accepted**

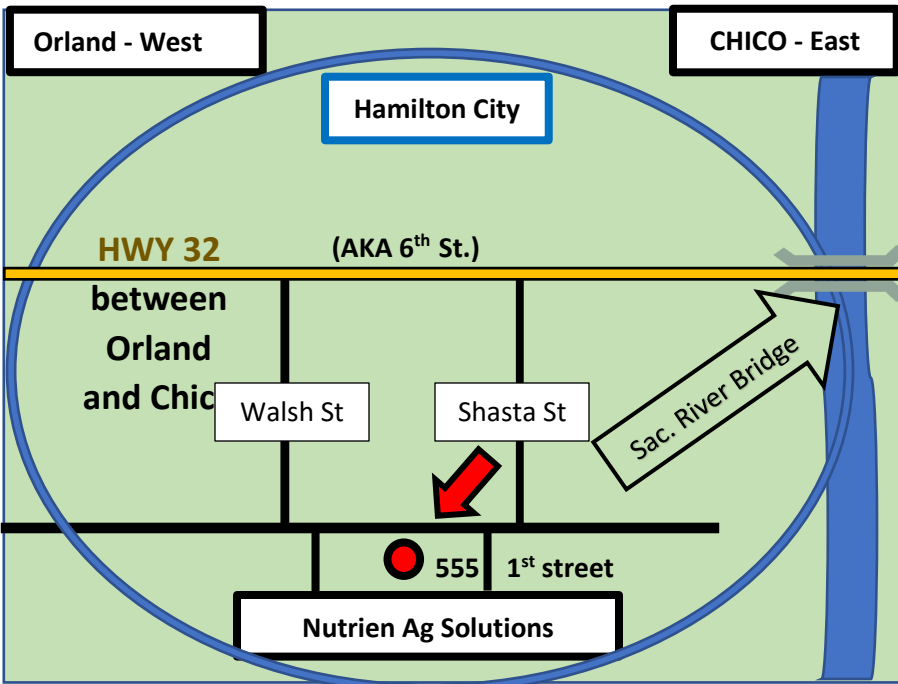

Inspection of containers is mandatory, so containers **must be clean**. Drums of 30 gallons or 55 gallons must be cut in half or quarters **lengthwise** (top to bottom) Caps, labels and bungs must be removed. Improperly prepared containers will be rejected. **No bulk containers! Caps and labels are trash!!**  
 The more the barrels are cut, the better we like it! Remove bungs.
