DONALD RUST, Director

MEMORANDUM

August 29, 2019

RE: GLENN COUNTY GENERAL PLAN UPDATE STATUS

- The Board awarded a contract to the De Novo Planning Group on February 19, 2019, in an amount not to exceed \$794,805.
- A kick-off meeting was held at the April 2, 2019, Board meeting; a meeting with County Department Heads and other staff was also held later that day.
- During June 2019, the consultant and key staff members held community participation meetings in Willows, Orland, and Hamilton City. Total attendees for all three meetings was approximately 35 community members.
- The Glenn County General Plan Update website is launched and linked to the Glenn County main website.
- The General Plan Advisory Committee (GPAC) is being formed; however, at least 4 to 6 more applications for the GPAC would be preferable. The applications are available on the Glenn County General Plan Update website, via the "GET Involved" tab.
- A proposed Land Use Change Application is posted on the Glenn County General Plan Update website, also under the "GET Involved" or "DOCUMENTS & MAPS" tabs. The application provides property owners to propose a land use/zone change for their property.
- Currently, the consultant is working on the 'Existing Conditions' component of the project.
- Future community participation meetings are included as part of the process and budget, and will be noticed in advance of the meetings.

NOTES:

1. Glenn County and the City of Willows are using the same consulting firm; each jurisdiction has a contract with De Novo.
2. The Nuisance Code update portion will most likely will be removed due to an urgent need to update that code section.
