

Request for Proposals (RFP) - Domestic Violence Bonus Funding Dos Rios Homeless Continuum of Care (CoC)

INTRODUCTION

The Dos Rios Homeless Continuum of Care is accepting proposals for new Domestic Violence (DV) projects with Continuum of Care Homeless Assistance bonus funding made available through the U.S. Department of Housing and Urban Development (HUD).

The Dos Rios Homeless Continuum of Care is soliciting proposals from public entities and private non-profits that wish to address housing and service priorities established through the Dos Rios Homeless Continuum of Care, with priority for Domestic Violence projects that follow a housing first approach and participate in the coordinated entry process.

Funding available is up to \$50,000 through the Domestic Violence bonus funding.

The projects being solicited are innovative and highly effective housing projects that will create additional housing inventory through rental assistance or leasing, as well as supportive services to better coordinate Domestic Violence referrals through coordinated entry. Projects are encouraged to show collaboration among providers and leverage mainstream resources to support highly vulnerable populations. Priority will be given to projects that have a plan for securing permanent housing for the project.

Funding will come from the U.S. Department of Housing and Urban Development's (HUD) 2018 McKinney-Vento Continuum of Care (CoC) for the Homeless Program, as amended under the HEARTH Act and the CoC Program Interim Rule. The availability and priorities for any funding for new projects is articulated in HUD's CoC Notice of Funding Available (NOFA):

DEADLINE FOR PROPOSAL SUBMISSIONS

Proposals must be entered via e-snaps and emailed to the **CoC Coordinator** by **3:00 p.m. on Wednesday, August 29, 2018**. Submission procedures are described below.

BACKGROUND

HUD publishes a CoC Notice of Funding Availability (NOFA) for each funding year. This RFP is being released in support of the 2018 CoC NOFA released on June 20, 2018. A single, consolidated submission of all selected projects in the Dos Rios CoC will be submitted to HUD by the Collaborative Applicant. The Dos Rios CoC goal is to submit the application no later than September 17, 2018. Funding will be derived from Federal Fiscal Year 2018 allocations of HUD funds and is subject to funding approval by HUD.

NEW PROJECT REQUIREMENTS

The Dos Rios Homeless Continuum of Care seeks one or more qualified applicants to administer one or more of the following project types, consistent with the guidance provided by the U.S. Department of Housing and Urban Development (HUD) including, but not limited to, using a Housing First approach:

- 1) New DV* Rapid Re-Housing (RRH) project
- 2) New DV* Joint Transitional Housing and Rapid-Re-Housing (TH-RRH) project
- 3) New DV* Supportive Services Only for Coordinated Entry (SSO-CE) project

* DV projects must be dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking that meet the definition of homeless, as defined in 24 CFR 578.3. Persons who are fleeing or attempting to flee human trafficking may also qualify under this homeless definition.

Competitive Proposed Projects Will:

- Clearly meet the CoC Program funding opportunities of HUD and the Dos Rios Homeless CoC; and
- Have a clear plan for acquiring permanent housing for the project (RRH & TH-RRH); and
- Include procedures and practices that better coordinate referrals between coordinated entry and the victim service providers (SSO-CE); and
- Describe a housing first and trauma-informed service delivery approach, including low-barrier access to the housing and services that works with Coordinated Entry Process, (SSO-CE); and
- Be based upon best practices and the most effective, evidence-based, culturally competent, and individualized client models possible (all project types); and
- Include plans to successfully meet HUD and local performance measures (RRH & TH-RRH); and
- Be administered by organizations that have demonstrated experience providing similar services and serving the proposed population (all project types).

Selection Process: Projects responding to this RFP will be reviewed and ranked by the Dos Rios Homeless CoC Review and Ranking Evaluation Committee. Projects will be reviewed with respect to organizational capacity, project approach, past performance, design and cost effectiveness. The Dos Rios CoC can only submit one project application for each project type to HUD; therefore, the review process will include the selection of up to one DV RRH, one DV TH-RRH and one SSO-CE project, depending on funding availability and applicant capacity. Funds are limited so the CoC may only submit one project application from the aforementioned choices.

Prior to the full HUD application process, proposals will be reviewed for basic eligibility and other criteria by the Dos Rios CoC Review and Ranking Evaluation Committee. The committee is comprised of formerly homeless persons, community professionals, service providers and stakeholders of the Dos Rios Homeless CoC. The Review and Ranking Evaluation Committee will review applications and make recommendations to the CoC Board for final decisions.

Eligible Applicants: Applications will only be accepted from eligible nonprofit agencies, private nonprofit agencies, units of government and public housing agencies.
