Project Status	
Housing Element Update	
The Housing Element is required by State law to identify and analyze existing and projected housing needs in order to preserve, improve and develop housing for all economic segments of the community, and demonstrate how the County will accommodate its share of regional housing needs.	Remaining in compliance is conditioned on the County zoning adequate sites to address the unaccommodated housing need from the 2014-2019 cycle, two acres. Additional sites need to be selected and processed for rezoning. Staff has submitted 2014-2017 Annual Progress Reports .
Mitigation Monitoring	
Review, correspondence, and inspections regarding all past Conditional Use Permits, Mitigations and Conditions of Approval.	Conditions of Approval, Mitigation Measures, and Road Impact Fees continuously reviewed and verified for completions.
Multi-Jurisdiction Hazard Mitigation Plan	
The MJHMP is an important component for risk-based decision making and thereby reducing damage to property and the economy from disasters.	The Glenn County Board of Supervisors adopted the Multi-Jurisdiction Hazard Mitigation Plan (MJHMP) on 10/16/2018. City of Orland and City of Willows are preparing for adoption. The MJHMP website is at: http://gcppwa.net/LHMPPProject.aspx
Surface Mining and Reclamation Act (SMARA)	
Authorizes and directs local agencies to adopt ordinances establishing procedures for the review and approval of reclamation plans and the issuance of permits.	Mine Inspections have been completed, Mine Reporting to be completed. Review the Financial Assurance Estimates and Mechanisms. Assisting operators, and State Department of Mine and Reclamation, with procedures and general SMARA questions.
Glenn County Safety Element – Calfire Grant	
The Safety Element is required by State law to identify and analyze existing and projected hazards within the county. Glenn County is seeking Cal Fire’s California Climate Investment Grant to help fund update of Glenn County’s Safety Element.	Glenn County’s application was submitted to Cal Fire on Wednesday December 19, 2018.
Small Communities Flood Risk Reduction Program (SCFRRP) Grant	
The State of California Department of Water Resources, SCFRR funding will be used to prepare a feasibility study for Butte City to investigate and recommend actions to reduce flood risk for small communities and promote multiple benefits consistent with the Central Valley Flood Protection Program.	Scope of Work has been submitted to DWR for approval.
