-
- Question:** Who is responsible for the turbidity monitoring?
Response: The County of Glenn will be responsible for monitoring and reporting of turbidity.
 - Question:** What is the depth at the location of the silt screen?
Response: The depth varies depending on water release, County of Glenn will be responsible for silt screen.
 - Question:** What is the closest water level monitoring station?
Response: The National Weather Service has monitoring sites at both Ord Bend and Butte City Boat Launch. Links to each can be found below:
Ord Bend: <https://water.weather.gov/ahps2/hydrograph.php?wfo=sto&gage=orfc1>
Butte City: <https://water.weather.gov/ahps2/hydrograph.php?wfo=sto&gage=btcc1>
 - Question:** Can the dock at Ord Bend be removed?
Response: Yes, the dock at Ord Bend can be removed at the request of the Contractor. The cable underneath the dock will remain in place.
