Agenda		
5.	Special Projects Report	a. Susan F did a blurb on their sock drive that came out on the Monthly Newsletter. No other special projects at the moment to report on.
6.)	Board Member Activity Report	a. Susan F reported that they were very busy during the Winter due to the sock drive, but they need more special projects she will send out an email to other board members. Cindy will share what the community is needed after the consumer perception survey is completed and see how the board will be able to support them through that. Another project was mentioned about doing something in May for Mental Health Matters month, we will be reaching out to the board later on to see how they can support in this project; as well as Suicide Prevention. Tableing at Suicide Prevention would be a special project. Manuel asked that he would like to see presentations done at school so students know what resources are available in the county. a. Stephanie mentioned getting the PRISM program involved and having them come to the next meeting and present to the board what outreach they do at the school level for the kids. TAY also does outreach at the school level. Manuel suggests having a presentation done school wide where students have to be present because many suffering will not feel comfortable going to a table and asking for help or even getting resource information. Joe said that we are getting the info out and we are getting many referrals through our School grant program. Many thanked Manuel for his willingness to help and try and get resources to students. Stephanie will bring this up to the school based team and share the concerns and get input on what is being done to promote wellness. She also mentioned that walk coming up at the TAY center and how it can be incorporated there.
		b. Did any board members attend any court hearings or any special events or take any trainings? Manuel attend a training sent to him from Teresa Comstock on Laura's Law. Susan has attended graduations but there hasn't been any lately.
7.)	Scheduled Matters	a. Recruitment strategies- Cindy mentioned she would like to do a brochure about the board and what it is all about. Joe mentioned that is a great idea. Joe mentioned that he would like to get the word out by looking who we network with. Cindy mentioned we need to see who is in our community and how we can reach them. b. Danny Medina a support person from CAMHPRO introduced himself and explained that he is our support person in our region for SB 803.
8.)	Program Reports	a. <u>Transition Age Youth (TAY Center) Report</u> - Shena reported that we have a lot of events coming up. There will be a Walk on May 13th and everyone is encouraged and it is to bring awareness to everyone about Mental Health and HH will be joining with them. There will be lots of fun activities at the event. They are doing an Egg hunt and the kids are so excited. She is also awaiting for a few members to come on board.

GLENN COUNTY BEHAVIORAL HEALTH ADVISORY BOARD

	Order of Agenda Items	Discussion
	b.	<u>Harmony House (Adult Drop In Center) Report</u> - David reported they just closed their current WRAP group and will have another one starting on June 2nd and will start sign ups soon. They also have a new coach who just came on board. He is also preparing for the fair in May and doing outreach there. He is working on time management so that groups don't overlap with one another. He is looking at doing groups outside since the weather is getting nice and maybe even doing some fieldtrips.
	c.	<u>Prevention (GCAP, Tobacco, Suicide)</u> - Eloise reported on GCAP is going back in person starting tomorrow, results for the BH Staff survey will be shared at that work group. GC Fair is coming up and will be preparing their SUDS/TAY/HH table for that event and will be reaching to staff to see who would like to help. Strengthening Families- there will be a training this summer to train people on this great intervention for them to be able to do it at their own facilities. SUDS are looking to create a new plan based on Data coming in. She would love to present some data in the future to the board. Working on Health care collaborative. Carolina reported on tobacco intervention students attended a workshop in Sacramento and were able to speak up against tobacco use and effects. They also have been going out to parks to do some clean up. they will be taking the students on a field trip now that we are ending the school year. Cindy reported on Suicide Prevention and when they meet and what the coalition is all about. Spoke about Elise reaching out to the community and their Bathroom stall campaign. She spoke about a training on Fatality Review happening in June.
	d.	<u>BH Director Report</u> - Joe spoke about the Triennial review and that it went great. QI had a lot of people leave due to promotions so they are low. Budgets have been done and we are looking good for the new fiscal year. Something that was built in to the new Fiscal year budget was contracting the Crisis AH calls with an agency with a provider this way our staff have a choice and not a burden to do AH Crisis because our staff are burn out. He also mentioned that we have infrastructure grant coming in the future because the lack of office space. Many grants coming our way.
9.)	Unscheduled Matters & Public Comment	a. Cindy went over the RER (Revenue & Expenditure Report). Reported on how the funds were spent and where the funds were allocated to.
10.)	Meeting Adjourned	1:01PM
