Comments:

\* Pool is closed! Do not reopen without approval from our department.

\* Critical Violation (Closure Violation)

23) Repair gate to be self-closing & self-latching. Gate does not self-latch.

Other Violations

5) Provide depth markings on deck adjacent to 4 1/2 & 5 foot markings on pool tile line. Depth markers on deck have worn off.

28) Provide "No Diving" warding with graphic of diver with line through it adjacent to all depth markings on deck.

6) Repair rail at steps so it is not loose.

39) Test for Free Chlorine & pH daily and record in book in manager's office. Pool records show testing for 17 days in June, 5 days in July.
