## **The Top-Two Process – How it Works**

On June 8, 2010 California voters approved Proposition 14, which created the “Top-Two Open Primary Act.” The top-two took effect January 1, 2011 and created voter-nominated offices.

The “Top-Two Open Primary Act” requires that only the two candidates for voter nominated offices who receive the highest and second highest number of votes cast at the primary election shall appear on the ballot as candidates in the ensuing General Election. (EC 8141.5)

The following are voter-nominated offices:

- Governor
- Lieutenant Governor
- United States Senator
- United States Representative\*\*
- State Controller
- Insurance Commissioner
- Board of Equalization
- Secretary of State
- State Senator
- State Assembly\*\*
- State Treasurer
- Attorney General

\*\* These offices are up for election every two years.

A Nonpartisan office is an office in which no political party nominates a candidate. Judicial, school, county, municipal, and special districts are example of nonpartisan offices.

### **What does this mean for the Voter?**

For **voter-nominated** offices, the top-two vote getters from the Primary Election continue on to the General Election, regardless of their party preference. The candidate with the majority of votes (50% of total number cast plus one) in the General Election is the winner of that race.

For **nonpartisan** offices, the candidate with the majority of votes (50% of total number cast plus one) in the Primary Election is the winner of that race. If no candidate receives the majority of votes in the Primary, then the top-two vote getters move on to the General Election.

In the General Election, you may only write-in a qualified candidate’s name in a non-partisan office only. Write-In votes are not allowed for a voter-nominated candidate at the General Election.

The term "contribution" includes monetary payments, loans and non-monetary goods or services. Personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet are not counted toward the \$2,000 threshold.

An original and a copy of Form 410 must be filed with the Secretary of State and a copy with the county elections official within 10 days of receiving \$2,000 in contributions.

If the recipient committee qualifies during the 16 days prior to an election in which it must file pre-election statements, the Form 410 information must be delivered by telegram or personal delivery within 24 hours of qualification to the county elections official. A Form 410 then must also be filed with the Secretary of State within 10 days.

### **Termination of candidacy and future filing obligations**

Recipient committees must file pre-election and semi-annual campaign disclosure statements until termination requirements are met and a Form 410 Termination Statement has been filed. (See Part 5 of the Form 410 instructions.)

## ***CAMPAIGNING, CAMPAIGN RECORDS AND REPORTS***

The Fair Political Practices Commission (FPPC) has the primary responsibility for interpretation and administration of the Political Reform Act. The Secretary of State and county clerks are the filing officers for campaign disclosure statements. The Franchise Tax Board is responsible for audits conducted in accordance with the Act. The FPPC, the State Attorney General and local district attorneys have enforcement authority. (Government Code §§ 83111, 84215, 90000, 91000-91015)

**“Contribution”** includes personal funds used in connection with seeking or holding elective office, monetary payments, loans and non-monetary goods or services, but excludes personal funds used for the statement of education and qualifications published in the official sample ballot pamphlet.

**Form 501** must be filed with the elections official prior to solicitation or receipt of any contribution. (Government Code § 85200)

**“Recipient Committee”** is any individual or group of individuals that receives contributions totaling \$2,000 or more during a calendar year. Within 10 days of qualifying as a recipient committee, the recipient committee must file a **Form 410** with the Secretary of State and a copy with the county elections official. The Secretary of State will issue an identification number to the committee that must be included on all campaign disclosure forms.

If a recipient committee qualifies during the 16-day period prior to the election, then it must file the information contained on Form 410 via telegram or personal delivery to the county elections official within 24 hours of qualifying and send an original Form 410 to the Secretary of State within 10 days. (Government Code §§ 82036, 84203, 84204)

**Campaign Bank Account** – Candidates who anticipate soliciting or receiving contributions from others, or who anticipate spending \$2,000 or more of personal funds in connection with their election, excluding the cost of the Candidate Statement of Education and Qualifications, must open a campaign bank account and all campaign expenses must be paid from that account.

**Recordkeeping** – An accurate and organized record must be kept of all campaign receipts and expenditures. Maintain a daily record of receipts and a contributor record with full name and address of each contributor of \$25 or more. For contributions of \$100 or more, the contributor’s occupation and employer or business must also be recorded. Retain records for five years.

## **Outdoor Campaign Signs**

The placement of outdoor campaign signs is regulated by state and local law.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of temporary political signs from normal outdoor advertising display requirements. A temporary political sign meets the following criteria:

1. Encourages a particular vote in a scheduled election.
2. Placed not sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
3. Not larger than 32 square feet.
4. A Statement of Responsibility has been filed with the California Department of Transportation certifying a person who will be responsible for removing the sign.

Section 19.70.030(l) of the Glenn County Code limits political signs to 4 square feet in residential categories and 16 square feet in other categories; signs may be posted no sooner than 60 days before the election and removed within 14 days after the election.

Statement of Responsibility forms for the Department of Transportation, County Public Works Agency, City of Willows, and City of Orland are available from the county elections office.

## **Newspaper Advertising**

Pursuant to Elections Code § 20008, any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words "Paid Political Advertisement." The words shall be set apart from any other printed matter.

As used in this section "paid political advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

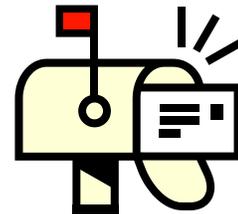

## **Mass Mailings**

Mass mailings are more than 200 substantially similar pieces of mail sent by an officeholder, candidate or committee in a calendar month. The sender of a mass mailing is the candidate or committee who pays for the largest portion of the mailing.

**Example:** The ABC Homeowner's Association paid \$500 for a mailer supporting I.M. Winner, a school board candidate. The mailing was sent at the behest of Mr. Winner, and he paid \$200 for the postage to send the mailer. Since the ABC Homeowner's Association was not an existing committee, nor did it qualify as a committee when it sent the mailer, Mr. Winner must be identified as the sender of the mass mailing.

The sender must be identified on the outside of the mailing in the following manner:

- Name
- Address and City
- At least 6-point type
- Contrasting color or print style
- Name of controlling candidate, if applicable
- P.O. box may be used if a street address is listed on the committee's Form 410

If two or more officeholders, candidates or committees pay an equal share of the cost of a mailing, it must identify at least one on the outside of the mailing and all must be identified on the inside.

The following information is not required to be included in the sender ID:

- Committee's identification number
- Name of treasurer or printer
- The words "paid for by"

Identification is not required under the Political Reform Act on these campaign items:

- Newspaper, television, or radio ads
- Campaign materials not sent through the mail such as handbills, bumper stickers, and door hangers

The FPPC does not regulate the content of mailings (i.e. false or misleading statements).

### **Sample Ballots**

Prior to the election, the elections office shall mail every eligible voter a sample ballot pamphlet that shall include the candidate's Statement of Education and Qualifications, if one is submitted. If the election is not conducted exclusively by mail, the pamphlet shall also include polling place information and an application for a Vote-by-Mail ballot.

### **Vote-by-Mail Ballots**

Any eligible voter may request an absent voter ballot and vote by mail. The request must be in writing and received at least seven days prior to Election Day. The voted ballot must be in the possession of the county elections office by 8:00 p.m. on Election Day to be counted.

## ***RULES ON REPORTING ACCRUED EXPENSES ON FORM 460 SCHEDULE F***

Previously, when you would report an expense which you accrued in one reporting period but paid in another, that expense would only be reported during the period it was accrued and you would not itemize that expense again. Now, you must continue to itemize that accrued expense through each reporting period until it is paid in full.

*Example: During the first six months of 2012, you ordered and received literature from a printer at a cost of \$2,500, but had yet to pay the printer by June 30. Report the \$2,500 unpaid bill as an accrued expense on Schedule F of the semi-annual statement. After that reporting period, you paid the \$2,500 bill in full. On your next statement, itemize the accrued expense again on Schedule F and report a beginning balance of \$2,500, a payment of \$2,500, and a balance owed of \$0. You would not report this accrued expense again.*

*Another Example: Perhaps the payment made to the printer was only \$1,000, leaving a balance owed of \$1,500. On your statement, you will again itemize the accrued expense and report a beginning balance of \$2,500, a payment of \$1,000 and a balance owed of \$1,500. You will continue to report this accrued expense on subsequent statements until the obligation is paid. If you incurred additional expenses to this printer during the period, you would report that amount as well.*

Each time you make a payment that payment will also be reported on Schedule E as an expenditure.

### ***HOW TO REPORT ACCRUED EXPENSES ON YOUR FIRST FORM 460***

If you have an accrued expense of \$100 or more outstanding from the previous period, itemize the name and address of the payee/creditor and the appropriate code describing the expenditure on Schedule F. Report the outstanding balance as of the beginning of the reporting period, any additional amounts incurred to this vendor, any payments made against the debt during the reporting period and the outstanding balance as of the end of the reporting period. (It is not necessary to re-itemize sub vendor payments that have been itemized on a previous statement.) ***Remember! Continue to report the accrued expense on subsequent statements until it is paid in full.***

### ***REPORTING ADMINISTRATIVE EXPENSES***

There are certain expenses that may carry over from one reporting period to another that you **do not** have to report as accrued expenses. These expenses include regularly recurring administrative overhead such as rent, utilities, phones, campaign workers' salaries, etc., **if the payment due date has not occurred at the end of the reporting period.** Campaign workers' salaries only include payments to those individuals for whom the committee is paying federal and state employment taxes.

Consultant contracts and contracts with independent contractors are not considered regularly occurring administrative overhead of a committee.

## ***SOME ANSWERS TO CAMPAIGN REPORTING QUESTIONS***

**Q: Is a candidate who ran in a primary election required to file another Form 501 and open a separate bank account for the general (or run-off) election?**

A: No, the Form 501 filed and bank account opened for the primary election cover both elections.

**Q: Must an incumbent file a Form 501 if he or she is running for re-election to the same position?**

A: Yes, the incumbent must file an initial Form 501. The Form 410 (Statement of Organization) must also be amended to indicate whether the incumbent is re-designating an existing bank account or establishing a new bank account.

**Q: If a person buys a ticket to a campaign fundraiser, is the entire amount reported as a contribution?**

A: Yes, typically the face value of the ticket is reported as a contribution. The benefit the attendee receives at the event (i.e. food, entertainment) is not subtracted from the amount of the ticket price.

**Q: How are donated items for an auction or garage sale, as well as the proceeds of the sale, reported?**

A: The fair market value of items donated for sale at an auction or garage sale must be reported as non-monetary contributions on Schedule C. Non-monetary contributions of \$100 or more received during the calendar year must be itemized.

If the person who purchases the item pays fair market value, the proceeds are not "contributions" because the purchaser has received full and adequate consideration for the payment. These amounts should be reported as "Miscellaneous Increases to Cash" on Schedule I. If the purchaser pays more than the fair market value, the amount over the fair market value is a contribution that must be reported on Schedule A.

**Q: May a candidate be reimbursed for the use of a personal vehicle?**

A: An officeholder, candidate, a member of his/her immediate family, the staff of a committee, or the staff of an elected officer's governmental agency may be reimbursed for use of a personal vehicle only if vehicle use directly relates to a political, legislative, or governmental purpose. The purpose and mileage must be documented in a manner approved by the Internal Revenue Service in connection with deductible mileage expenses. In addition, reimbursement cannot be made at a rate higher than allowed under Internal Revenue Code Section 162.

**Q: If a candidate uses his/her personal telephone for campaign purposes, how should the telephone bills be paid?**

A: Candidates that use personal telephones for campaign calls must pay the campaign portion of the bill with campaign funds. The other portion must be paid with personal funds.

**Q: When are unpaid bills reportable as accrued expenses?**

A: The basic rule is that you must report an accrued expense any time you have received goods or services but have not paid for them by the end of the reporting period.

**Q: What if I haven't received an invoice from the vendor yet?**

A: If you have received the goods or services, you must report the accrued expense even if you have not received an invoice. If you do not know the exact amount, you may estimate the amount of the expense. When reporting an estimate, note that fact on Schedule F.

**Q: We have a contract to pay our campaign consultant \$1,000 per month. If the closing date of the campaign statement falls during the middle of the month, say March 17, must we report an accrued expense for the period March 1 through March 17?**

A: No. When you have agreed in writing to pay a contractor a set amount at regular intervals, it is not necessary to prorate the amount owed to the contractor if the reporting period closes before the end of the contract period.

**Q: We reported an estimated accrued expense of \$5,000 to a printer. The actual amount owed was \$4,500. What do we do?**

A: You can amend the statement on which you reported the \$5,000, or you can correct the amount on a subsequent statement by doing the following:  
On Schedule F, column (a), report an outstanding accrued expense of \$5,000. In column (b), the amount incurred this period, report a **negative** \$500. If you made any payments on the accrued expense during the period, report that amount in column (c) and the outstanding balance in column (d).

If you paid **more** than the estimated amount, report the \$5,000 in column (a), the amount over the estimate in column (b) as a new accrued expense, any amounts paid in column (c), and the outstanding balance in column (d).

Be sure to make the correction on the next statement filed after determining the correct amount. Also be sure to note on Schedule F when you are correcting estimates.

**Q: When an accrued expense is owed and there are subvendor payments, when are the subvendors reported? For example, if we report an accrued expense owed on a credit card and list the subvendors, must we re-itemize the subvendors again on Schedules E and F when the accrued expense is paid?**

A: No. It is not necessary to re-itemize subvendors when payments are made on accrued expenses, or if an accrued expense is reported on more than one statement. In this example, the subvendors must be reported on the first statement disclosing the accrued expense owed to the credit card company. On subsequent statements, only the credit card company must be itemized.

## **CODE OF FAIR CAMPAIGN PRACTICES**

(Election Code Sections 20400 – 20444)

### **Background Information**

In 1982, legislation was passed which established a “Code of Fair Campaign Practices” in California which could be voluntarily subscribed to by candidates for public office. Amendments in 1987 expanded the provisions of the code so as to apply to committees formed primarily to support/oppose a ballot measure, and also reaffirmed civil liability provisions pertaining to libel and slander in campaign advertising and communications.

The text of the provisions of the Code of Fair Campaign Practices is listed on the following page.

### **Elections Department Requirement**

The Elections Department is required, at the time an individual is issued his/her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, to provide the candidate a blank form on which to subscribe to the “Code of Fair Campaign Practices” and a copy of the Elections Code provisions.

### **Voluntary Subscription**

Subscription to the Code is voluntary. Completed forms are to be filed with the Elections Department and shall be retained for public inspection until 30 days after the election.

The text of the code shall read, as follows:

“CODE OF FAIR CAMPAIGN PRACTICES”

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit such criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health status, or age.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections, or which hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from an individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

Candidates elected to school and college **district** governing boards take office.

**PUBLIC OVERSIGHT OF LOCAL GOVERNMENT IS THE FOUNDATION OF AMERICAN DEMOCRACY.**

Nowhere is this more evident than in our public schools, where local boards of education are entrusted by their diverse communities to uphold the Constitution, protect the public interest in schools and ensure that a high quality education is provided to each student. To maximize the public's confidence in local government, our local boards must govern responsibly and effectively.

PROFESSIONAL GOVERNANCE STANDARDS**

**THE CALIFORNIA SCHOOL BOARDS ASSOCIATION** (CSBA), representing nearly 1,000 local school districts and county boards of education, recognizes there are certain fundamental principles involved in governing responsibly and effectively. These principles — or Professional Governance Standards — reflect consensus among hundreds of board members, superintendents and other educational leaders throughout the state.

These Professional Governance Standards describe the three components vital to effective school governance:

**for County Boards**

- 1 the attributes of an effective **individual trustee**,
- 2 the attributes of an effective governing **board**, and
- 3 the **specific jobs** the board performs in its governance role.

The intent of these standards is to enhance the public's understanding about the critical responsibilities of local boards and to support boards in their efforts to govern effectively.

## 1 THE INDIVIDUAL TRUSTEE

In California's public education system, a trustee is a person elected or appointed to serve on a board of education. Individual trustees bring unique skills, values and beliefs to their board. In order to govern effectively, individual trustees must work with each other and the superintendent to ensure that a high quality education is provided to each student.

### TO BE EFFECTIVE, AN INDIVIDUAL TRUSTEE:

- » Keeps learning and achievement for all students as the primary focus.
- » Values, supports and advocates for public education.
- » Recognizes and respects differences of perspective and style on the board and among staff, students, parents and the community.
- » Acts with dignity, and understands the implications of demeanor and behavior.
- » Keeps confidential matters confidential.
- » Participates in professional development and commits the time and energy necessary to be an informed and effective leader.
- » Understands the distinctions between board, superintendent and staff roles, and refrains from performing management functions that are the responsibility of the superintendent and staff.
- » Understands that authority rests with the board as a whole and not with individual board members.

## 2 THE BOARD

County offices of education are governed by a superintendent and board, not by individual board members. While understanding their separate governance roles, the board and superintendent work together as a team. This team assumes collective responsibility for building unity and creating a positive organizational culture in order to govern effectively.

### TO OPERATE EFFECTIVELY, THE BOARD MUST HAVE A UNITY OF PURPOSE AND:

- » Keep focused on student learning and achievement, as well as the role of the county office of education in providing services to school districts and the community.
- » Work collaboratively with the county superintendent.
- » Communicate a common vision.
- » Operate openly, with trust and integrity.
- » Govern in a dignified and professional manner, treating everyone with civility and respect.
- » Govern within board-adopted policies and procedures.
- » Take collective responsibility for the board's performance.
- » Periodically evaluate its own effectiveness.
- » Ensure opportunities for the diverse range of views in the community to inform board deliberations.

## 3 THE COUNTY BOARD'S JOBS

The primary responsibilities of the county board are to work with the superintendent to establish the direction and priorities for the county office of education through its budgetary responsibilities, and to provide leadership to support the success of public education. To fulfill these responsibilities, there are a number of specific jobs that effective boards must carry out.

### EFFECTIVE COUNTY BOARDS:

- » Maintain a cooperative and supportive working relationship with local school districts, their school boards and the community.
- » Collaborate with the superintendent so that the shared vision, goals and policies of the county office of education can be implemented.
- » Adopt, evaluate and update policies consistent with law and the county board's vision and goals.
- » Maintain accountability for student learning in schools and programs operated by the county office of education.
- » Adopt the annual budget and review interim reports of the county superintendent of schools.
- » Approve the salary of the county superintendent.
- » Review the real property audit and acquire or dispose of real property as necessary for county office of education schools and programs.
- » Adopt policies to ensure that a safe and appropriate educational environment is provided for all its students.
- » Conduct appeals on student expulsions and inter-district transfers.
- » Conduct public hearings when appropriate.
- » Fulfill statutory responsibilities in connection with charter schools.
- » Provide community leadership on educational issues and advocate on behalf of students and public education at the local, state and federal levels.

**PUBLIC OVERSIGHT OF LOCAL GOVERNMENT IS THE FOUNDATION OF AMERICAN DEMOCRACY.**

Nowhere is this more evident than in our public schools, where local boards of education are entrusted by their diverse communities to uphold the Constitution, protect the public interest in schools and ensure that a high quality education is provided to each student. This team assumes collective responsibility for building unity and creating a positive organizational culture in order to govern effectively.

### TO OPERATE EFFECTIVELY, THE BOARD MUST HAVE A UNITY OF PURPOSE AND:

- » Keep the district focused on learning and achievement for all students.
- » Communicate a common vision.

To fulfill these responsibilities, there are a number of specific jobs that effective boards must carry out.

### EFFECTIVE BOARDS:

- » Involve the community, parents, students and staff in developing a common vision for the district focused on learning and achievement and responsive to the needs of all students.
- » Adopt, evaluate and update policies consistent with the law and the district's vision and goals.
- » Maintain accountability for student learning by adopting the district curriculum and monitoring student progress.
- » Hire and support the superintendent so that the vision, goals and policies of the district can be implemented.
- » Conduct regular and timely evaluations of the superintendent based on the vision, goals and performance of the district, and ensure that the superintendent holds district personnel accountable.
- » Adopt a fiscally responsible budget based on the district's vision and goals, and regularly monitor the fiscal health of the district.
- » Ensure that a safe and appropriate educational environment is provided to all students.
- » Establish a framework for the district's collective bargaining process and adopt responsible agreements.
- » Provide community leadership on educational issues and advocate on behalf of students and public education at the local, state and federal levels.

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

DONALD RUST, Director

This is a reminder regarding California State law governing campaign signs, also known as “temporary political signs”. Section 5405.3 of the California Business and Professions Code authorized the placing of “temporary political signs” separate and apart from the normal outdoor advertising display controls. The code reads as follows:

*§5405.3 Nothing in this chapter, including, but not limited to, section 5404, shall prohibit the placing of temporary political signs, unless a federal agency determines that such placement would violate federal regulations. However, no such sign shall be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of landscaped freeway.*

*A temporary political sign is a sign which:*

- a) Encourages a particular vote in a scheduled election.*
- b) Is placed not sooner than 90 days prior to the scheduled election and is removed within 10 days along local roads and 14 days along Highways after the election.*
- c) Is no larger than 32 square feet.*
- d) Has had a statement of responsibility filed with the department certifying a person who will be responsible for removing the temporary political sign and who will reimburse the department for any cost incurred to remove it.*

Definitions of some terms:

- “Highway” means any State Highway, County Road, or City Street.
- “Highways 32, 45, 162 and Interstate 5” are maintained by Caltrans. “Highway” 99W is a County Road.
- “City Streets” are maintained by both the City of Orland and the City of Willows.
- “Unincorporated areas of Artois, Butte City, Elk Creek, and Hamilton City” include County Roads that are maintained by Glenn County Public Works.
- “Right-of-Way” means an easement for purposes of roads, canals, pipeline and/or passage of utilities over fee title land. A right-of-way or easement does not include fee title land. The area between the utility poles and the edge of the pavement is off limits to the placement of temporary political signs.
- “Utility poles, traffic sign posts, street trees etc.” area also off limits to the placement of temporary political signs.

## Types of Statements

---

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions she holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2019, through December 31, 2019. If the period covered by the statement is different than January 1, 2019, through December 31, 2019, (for example, you assumed office between October 1, 2018, and December 31, 2018 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2019.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2019, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2019, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2018, and December 31, 2018, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2019.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

**Note:** Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

# Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

## Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court)
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst)
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission), you may be required to file statements with each agency. To simplify your filing obligations, you may complete an expanded statement.
  - To do this, enter the name of the other agency(ies) with which you are required to file and your position title(s) in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement covering the disclosure requirements for all positions. Each copy must contain an original signature. Therefore, before signing the statement, make a copy for each agency. Sign each copy with an original signature and file with each agency.

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand his or her annual filing to include both positions.

### Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers Placer and Yuba counties. Brian will complete one Form 700 using full disclosure (as required for the city position) and covering interests in both Placer and Yuba counties (as required for the multi-county position) and list both positions on the Cover Page. Before signing the statement, Brian will make a copy and sign both statements. One statement will be filed with City of Lincoln and the other will be filed with Camp Far West Irrigation District. Both will contain an original signature.

## Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.

- If your agency is a multi-county office, list each county in which your agency has jurisdiction.
- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the “other” box and enter the county or city in which the agency has jurisdiction.

### Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

## Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2019 annual statement, **do not** change the pre-printed dates to reflect 2020. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2020, through December 31, 2020, will be disclosed on your statement filed in 2021. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

## Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the “No reportable interests” box. Please **do not** attach any blank schedules.

## Part 5. Verification

Complete the verification by signing the statement and entering the date signed. All statements must have an original “wet” signature or be duly authorized by your filing officer to file electronically under Government Code Section 87500.2. **When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

## Instructions – Schedules A-1 and A-2 Investments

“Investment” means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency’s jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. (See Reference Pamphlet, page 13.)

### Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse’s or registered domestic partner’s business (See Reference Pamphlet, page 8, for the definition of “business entity.”)
- Your spouse’s or registered domestic partner’s investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. (See Reference Pamphlet, page 16, for more information on disclosing trusts.)
- Business trusts

### You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. (See Reference Pamphlet, page 13.) (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)
- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)

- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

**Use Schedule A-1** to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. (See second example below.)

**Use Schedule A-2** to report ownership of 10% or greater (e.g., a sole proprietorship).

### To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively. (See page 20 for more information.)
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

### Examples:

Frank Byrd holds a state agency position. His conflict of interest code requires full disclosure of investments. Frank must disclose his stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by his spouse or registered domestic partner and dependent children.

Alice Lance is a city council member. She has a 4% interest, worth \$5,000, in a limited partnership located in the city. Alice must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

### Reminders

- Do you know your agency’s jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

## Instructions – Schedule A-2

### Investments, Income, and Assets of Business Entities/Trusts

---

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

#### To Complete Schedule A-2:

**Part 1.** Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

**Part 2.** Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

**Part 3.** Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting

period. (See Reference Pamphlet, page 11, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 8.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 14, for information on procedures to request an exemption from disclosing privileged information.)

**Part 4.** Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

## Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 13.)

### Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

### You are **not** required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 16.)
  - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

### To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold,

### Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

### Example:

Allison Gande is a city planning commissioner. During the reporting period, she received rental income of \$12,000, from a single tenant who rented property she owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

## Income, Loans, & Business Positions

### (Income Other Than Gifts and Travel Payments)

---

#### Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. (See Reference Pamphlet, page 11.) You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

#### Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

#### Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)

- Identify the security, if any, for the loan.

## Instructions – Schedule D Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

### Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

### Reminders

- Gifts from a single source are subject to a \$500 limit in 2019. (See Reference Pamphlet, page 10.)
- Code filers – you only need to report gifts from reportable sources.

### Gift Tracking Mobile Application

- FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

### You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without being claimed by you as a charitable contribution for tax purposes
- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

### To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

# Instructions – Schedule E Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. (See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" to read about travel payments under section 89506(a).)

**You are not required to disclose:**

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a nonprofit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

**Note: Certain travel payments may not be reportable if reported via email on Form 801 by your agency.**

**To Complete Schedule E:**

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
  - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$50 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

- **Travel payments are income** if you provided services that were equal to or greater in value than the payments received. You must disclose income totaling

\$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

**Example:**

City council member MaryClaire Chandler is the chair of a 501(c)(6) trade association, and the association pays for her travel to attend its meetings. Because MaryClaire is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for MaryClaire to attend other events for which she is not providing services are likely considered gifts. Note that the same payment from a 501(c)3 would NOT be reportable.

The Chengdu Municipal People's Government pays for Mayor Kim's airfare and travel costs, as well as his meals and lodging during the trip. The trip's agenda shows that the trip's purpose is to promote job creation and economic activity in China and in Silicon Valley, so the trip is reasonably related to a governmental purpose. Thus, Mayor Kim must report the gift of travel, but the gift is exempt from the gift limit. In this case, the travel payments are not subject to the gift limit because the source is

Note that Mayor Kim could be disqualified from participating in or making decisions about The Chengdu Municipal People's Government for 12 months. Also note that if China Silicon Valley Business Development (a 501(c)(6) organization) paid for the travel costs rather than the governmental organization, the payments would be subject to the gift limits. (See the FPPC fact sheet, Limitations and Restrictions on Gifts, Honoraria, Travel and Loans, at [www.fppc.ca.gov](http://www.fppc.ca.gov).)

## Restrictions and Prohibitions

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their personal assets and income. They also must disqualify themselves from participating in decisions that may affect their personal economic interests. The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the law's provisions.

### Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. In 2019-2020, the gift limit is \$500 from a single source during a calendar year.

Additionally, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

### Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose. For example, a personal residence is often not reportable, but may be grounds for disqualification. Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest page at [www.fppc.ca.gov](http://www.fppc.ca.gov).

### Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. (See Reference Pamphlet, page 10.)

### Loan Restrictions

Certain state and local officials are subject to restrictions on loans. (See Reference Pamphlet, page 14.)

### Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

### Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

- Email questions to [advice@fppc.ca.gov](mailto:advice@fppc.ca.gov).
- Call the FPPC toll-free at (866) 275-3772.

### Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

## Questions and Answers

---

### General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.
- On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.
- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may complete one statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Report your economic interests using the largest jurisdiction and highest disclosure requirements assigned to you by the three agencies. Make two copies of the entire statement before signing it, sign each copy with an original signature, and distribute one original to the county and to each of the two boards. Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as “acting,” “interim,” or “alternate” must file as if they hold the position because they are or may be performing the duties of the position.
- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse’s income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse’s economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse’s income may not have to be reported. Contact the FPPC for more information.

- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

### Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of “doing business in the jurisdiction” is not limited to whether the business has an office or physical location in your jurisdiction. (See Reference Pamphlet, page 13.)
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.
- Q. The value of my stock changed during the reporting period. How do I report the value of the stock?
- A. You are required to report the highest value that the stock reached during the reporting period. You may use your monthly statements to determine the highest value. You may also use the entity’s website to determine the highest value. You are encouraged to keep a record of where you found the reported value. Note that for an assuming office statement, you must report the value of the stock on the date you assumed office.

## Questions and Answers Continued

---

Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?

A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.

Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?

A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.

Q. On last year's filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?

A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.

Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?

A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

### Income Disclosure

Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?

A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.

Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?

A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at [www.fppc.ca.gov](http://www.fppc.ca.gov). (See Reference Pamphlet, page 14.)

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

## Questions and Answers Continued

---

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. (See Reference Pamphlet, page 8.)

Q. My husband is a partner in a four-person firm where all of his business is based on his own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?

A. If your husband's investment in the firm is 10% or greater, disclose 100% of his share of the business on Schedule A-2, Part 1 and 50% of his income on Schedule A-2, Parts 2 and 3. For example, a client of your husband's must be a source of at least \$20,000 during the reporting period before the client's name is reported.

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. (See Reference Pamphlet, page 14.)

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?

A. No. Payments received on a loan made to a family member are not reportable.

### Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?

A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?

A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.

Q. Must I report a home that I own as a personal residence for my daughter?

A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.

Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?

A. No. Simply being a co-signer on a loan for property does not create a reportable interest in real property for you.

### Gift Disclosure

Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?

A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.

## Questions and Answers Continued

---

- Q. Julia and Jared Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2019 the gift limit was \$500, so the Bensons may have given the supervisor artwork valued at no more than \$1,000. The supervisor must identify Jared and Julia Benson as the sources of the gift.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.
- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.

You may amend the Form 501 to change your acceptance or rejection of the voluntary expenditure ceiling only under the following circumstances:

# Statement of Organization Recipient Committee

## Who Files

**Recipient Committees:** Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling \$2,000 or more in a calendar year to spend on California elections. They must register with the Secretary of State and report all receipts and expenditures. "Contributions" include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

**Candidates:** The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the \$2,000 threshold.

**Multipurpose Organizations:** A nonprofit organization, federal or out-of-state PAC, or other multipurpose organization that makes contributions or expenditures in California elections may also be required to register as a recipient committee with the Secretary of State. See the Fact Sheet on Multipurpose Organizations Reporting Political Spending and the Supplemental Form 410 Instructions.

## When to File

File this form within 10 days of receiving \$2,000 in contributions. Include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually no later than January 15. In addition to the \$50 fee, a penalty of \$150 may be assessed if payment is late.

For early submissions, mark the "not yet qualified" box. The \$50 fee is requested at this time but is not legally required until the committee qualification threshold has been met.

## Where to File

**All Committees:** Form 410 with original ink signature(s)  
Secretary of State  
Political Reform Division  
1500 11th Street, Rm 495  
Sacramento, CA 95814

## County & City Committees:

Also file a copy with the local filing officer who will receive the original campaign statements.

Read instructions carefully as a Form 410 will be rejected if all applicable sections are not completed.

## Committee ID Number

The committee's ID number will be posted at [cal-access.sos.ca.gov](http://cal-access.sos.ca.gov). To receive an official, stamped copy of your approved Form 410, send a request, the original form, two copies of the form, and a self-addressed, stamped envelope, to the Secretary of State.

## Amendments

When information contained in the committee's Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

## 24-Hour Reporting

In addition to the 10-day rule to file an original Form 410:

- A recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements.
- A recipient committee that qualifies during the 90 days prior to an election or on the date of the election in which the committee makes independent expenditures of \$1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure.
- If, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an amendment must be filed with the filing officer receiving the committee's original campaign statements within 24 hours of the change.

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available).

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual for your type of committee.

# Instructions for Statement of Organization

## Statement Type:

### Initial

Mark the “Initial” box and enter the date the committee qualification threshold was met.

If the committee has not met the qualification threshold, mark the “Initial” and “Not Yet Qualified” boxes.

### Qualification Threshold

The “date qualification threshold met” is the date the committee received contributions totaling \$2,000 or more during a calendar year.

### Amendment

If any of the information reported on an initial statement of organization changes:

- Mark the amendment box;
- Include the committee’s ID number and name;
- Provide the changed information; and
- Complete the verification.

**Candidates:** Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking re-election to the same office. A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

### Termination

List the committee’s name, identification number and indicate the date of termination, including completing the verification.

## 1. Committee Information:

Provide the full name of the committee. A committee may use only one name.

The committee’s street address, email address, and telephone number must be reported. A post office box is not acceptable. The committee’s mailing address must also be reported if it is different from the street address. A post office box is acceptable for the mailing address. A committee’s “domicile” is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

**Identify the jurisdiction where the committee is active. For example a city committee lists the name of the city.**

### Committee Name Requirements

The following committee name rules apply to the Form 410, the committee’s campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

**Candidate Controlled Committees:** Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules apply:

- An **election committee** controlled by one or more state or local candidates must also include the office the candidate(s) is seeking and the year of the election (e.g., Friends of Smith for Assembly 20XX, Jones for Council 20XX).
- An **officeholder committee** set up by a state officeholder must also include the office held, the year the officeholder was elected to the current term of office, and the words “Officeholder Account,” as part of the committee name (e.g., Anderson Assembly 20XX Officeholder Account).
- A **legal defense fund** set up by a state or local candidate or officeholder must also include the words “Legal Defense Fund” as part of the committee name (e.g., Senator Smith Legal Defense Fund).
- A **ballot measure committee** controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee’s Ballot Measure Committee) prior to the designation of the ballot measure number. See additional requirements for primarily formed committees.

**Sponsored Committees:** A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

## Primarily Formed Committees

**Ballot Measures:** The name of each committee primarily formed to support or oppose a ballot measure must include:

- A statement identifying the ballot measure(s) number or letter and whether it supports or opposes the measure(s) (e.g., Committee For Proposition/ Measure \_\_ or Committee Against Proposition/ Measure \_\_).

**Recalls:** Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

**Supporting or Opposing a Candidate:** The name of each committee primarily formed to support or oppose a state or local candidate(s) being voted on in a single election, other than a recall election, must include the last name of each candidate, the office sought, the year of the election and must state whether the committee supports or opposes the candidate(s) (e.g., Committee to Support Doe for Senate 20XX).

**The Form 460 is for use by all recipient committees, including:**

**Candidates, Officeholders and Their Controlled Committees**

- A candidate or officeholder who has a controlled committee, or who has raised or spent or will raise or spend \$2,000 or more during a calendar year in connection with election to office or holding office. The Form 460 is also required if \$2,000 or more will be raised or spent during the calendar year at the behest of the officeholder or candidate.

**Primarily Formed Ballot Measure Committees**

- A person, entity, or organization that receives contributions totaling \$2,000 or more during a calendar year for the primary purpose of supporting or opposing the qualification, passage, or defeat of a single ballot measure or two or more measures being voted on in the same city, county, multi-county or state election.

**Primarily Formed Candidate/Officeholder Committees**

- A person, entity, or organization that receives contributions totaling \$2,000 or more during a calendar year to support or oppose a single candidate or officeholder, or two or more candidates or officeholders who are being voted upon in the same city, county, or multi-county election. This type of committee is not controlled by the candidate(s) or officeholder(s).

**General Purpose Committees**

- A person, entity, or organization that receives contributions totaling \$2,000 or more during a calendar year to support or oppose various candidates and measures (e.g., political parties, political action committees).

Non-controlled committees that do not receive contributions, loans, or miscellaneous receipts totaling \$100 or more from a single source during a calendar year may use Form 450 – Recipient Committee Campaign Statement – Short Form.

**Note:** Refer to the Statement of Organization, Form 410, for guidance to determine the type of committee.

**Use the Form 460 to file any of the following:**

- Preelection Statement
- Semi-annual Statement
- Quarterly Statement
- Special Odd-Year Report
- Termination Statement
- Amendment to a previously filed statement

**Note:** Mark the preelection statement box if a committee files a monthly report in connection with a LAFCO proposal.

See reverse for general guidance on where to file this form.

**Contribution Limits:** Candidates for elective state office are subject to state contribution limits. Contributions received by committees for the purpose of making contributions to candidates for elective state office are also subject to limits. A chart identifying the limits is located at [www.fppc.ca.gov](http://www.fppc.ca.gov). In addition, local candidates may be subject to contribution limits imposed by local ordinance. Questions concerning local limits should be addressed to election officials in the local jurisdiction.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual for your type of committee (available from your filing officer or the FPPC). Campaign filing deadlines, forms, and other informational materials are available on the FPPC website ([www.fppc.ca.gov](http://www.fppc.ca.gov)).

the committee receives contributions or makes expenditures totaling \$25,000 or more.

**General Purpose Committees:** FPPC regulation 18227.5 sets out the procedures for determining whether a committee should file with the state, county or city elections office. In general, such committees file with the Secretary of State unless the committee makes more than 70% of its contributions and expenditures in connection with a city election or county election. The regulation sets out review timelines and exceptions. A committee cannot knowingly file in an incorrect jurisdiction with the intention of avoiding the appropriate legal disclosure to the public. Committees that change jurisdictions file in both jurisdictions until the end of the calendar year.

**LAFCO Proposals:** Committees primarily formed to support or oppose a LAFCO proposal file this form with the county elections office in the county that the proposal may be voted upon. Once a proposal is listed on a ballot, a committee will file as a multi-county, county or city committee.

**Statement of Organization:** A committee must make certain that its Statement of Organization, Form 410, is current and correct. This form includes information such as a candidate's year of election and the name of the committee's principal officers as well as other important information regarding the committee's formation. Information listed on a Form 460 must be the same as that disclosed on the Form 410.

# Instructions for Recipient Committee Campaign Statement – Cover Page

## Period Covered by a Statement:

The “period covered” by a campaign statement begins the day after the closing date of the last campaign statement filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee’s first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

## Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

## Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

### Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is “controlled” if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

## Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

## Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

## Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

**Amendments:** If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

**Termination:** A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

## Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter “Not Yet Received.” File Form 410 to obtain an I.D. Number.

## Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee’s Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

## Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

**Instructions for  
Recipient Committee  
Campaign Statement – Cover Page**

**Officeholder or Candidate Controlled  
Committee:**

Candidates must have a separate bank account and committee to run for different elective offices. A candidate who is required to file campaign statements in connection with more than one elective office but is only receiving contributions and making expenditures for one of the offices, may include both offices on one Form 460. In Part 5 of the cover page, enter the candidate's name and under "Office Sought or Held," identify each office, and state whether the candidate is seeking or holding the office. The Form 460 must be filed with the appropriate filing officer(s) for each office.

For example, a city councilmember is raising funds to run for the county board of supervisors. She has no committee and is not raising or spending funds in connection with the city office, and has formed a controlled committee for the county office. To comply with the requirements to file campaign statements for both her city office and her county candidacy, she may complete one Form 460 each campaign reporting period, which she will file with the city clerk and the county elections department. In Part 5 of the Form 460 Cover Page, under "Office Sought or Held," she will state that she is holding the office of city councilmember (including the name of the city) and that she is seeking a seat on the board of supervisors (including the name of the county).

**Ballot Measure Committee:**

Part 6 of the Form 460 Cover Page must be completed by committees that are primarily formed to support or oppose the qualification or passage of a single ballot measure or two or more measures being voted on in the same city, county, multicounty, or state election. A "general purpose" ballot measure committee (one that supports or opposes a variety of state and/or local ballot measures) is not required to complete Part 6.

# Instructions for Summary Page Campaign Disclosure Statement

CALIFORNIA  
FORM **460**

The Summary Page provides an overview of the committee's financial activities and is completed for each filing.

**Column A** reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

**Column B** figures should reflect the cumulative total since January 1 of the current calendar year.\* Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A. If this is the first report being filed for a calendar year, only carry forward the amounts reported on Lines 2, 7, and 9 of Column B (if any) from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, F, and H, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

\*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification

activities. Consult the FPPC Campaign Disclosure Manual for your type of committee for additional information.

## Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc. (Officeholders and candidates are subject to bank account restrictions, and all committees should read the FPPC Campaign Disclosure Manual regarding appropriate uses of campaign funds.)

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

**If you are filing a termination statement, Line 16 must be zero.**

## Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column B of the Summary Page). Investments that can be readily converted to cash, such as certificates of deposit or money market funds, should be included in the cash

on hand figures on Lines 12 and 16 of the Summary Page.

## Summary for Primary and General Elections (Lines 20 and 21):

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both the state primary and general elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both the state primary and general elections.

Complete this summary on the preelection and semi-annual statements for the general election, covering periods during the last six months of the year (July 1 – December 31).

## Expenditure Ceiling Summary for State Candidates (Line 22):

Candidates for elective state office who have accepted the voluntary expenditure ceiling for a particular election must disclose the total amount of expenditures made through the end of the reporting period that are subject to the expenditure ceiling for the election. Report the date of the election and total amount expended for that election.

Report totals for the primary and general elections separately. This information is no longer required if the expenditure ceiling has been lifted. (See FPPC Campaign Disclosure Manual 1.)

# Instructions for Schedule A Monetary Contributions Received

Report monetary contributions (except loans) received during the reporting period on Schedule A. Also report on Schedule A if a contributor forgives a loan for your committee or a third party pays a loan for your committee. Loans received during the period are reported on Schedule B. Certain transfers between a state candidate's controlled committees are also disclosed on Schedule A. (See FPPC Campaign Disclosure Manual 1.)

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.\* Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule A Summary.

\*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. (See the FPPC Campaign Disclosure Manuals for candidates and ballot measure committees.)

## Date Received:

A monetary contribution has been received when the candidate or committee, or an agent of the candidate or committee, receives or obtains control of the check or other negotiable instrument. There are special rules for reporting the date contributions are received by a committee that collects contributions through employee payroll deductions

or membership dues and contributions received electronically (e.g., credit card, text).

## Contributor Codes:

For each itemized contributor, check the applicable contributor code:

IND – contributions from any individual's personal funds.

COM – contributions from other committees that receive contributions. These committees will have an identification number assigned by the Secretary of State. Examples: political action committees, other candidates' committees. (State committees should use PTY or SCC when appropriate.)

OTH – business entities and other contributors.

PTY – contributions from political parties (including state and county central committees).

SCC – contributions from small contributor committees (applicable only to state candidates and committees).

## Contributions from Individuals:

When itemizing a contribution from an individual, also disclose the contributor's occupation and the name of his or her employer. If the contributor is self-employed, provide the name of his or her business. If the contributor is not employed, enter "none."

It is not necessary to enter occupation and employer information for other types of contributors (such as business entities).

**Missing Contributor Information:** A contribution of \$100 or more must be returned to the contributor within 60 days if the recipient does not obtain the contributor's address, occupation and employer.

## Contributions from Committees:

When itemizing a contribution from another recipient committee, disclose the identification number assigned to that committee by the Secretary of State in addition to its name and address. If no ID number has been assigned, provide the name and address of that committee's treasurer.

## Intermediaries:

If you receive a contribution through an intermediary (i.e., you have received a contribution check from a person other than the true source of the funds), disclose all of the required information for both the intermediary and the actual contributor.

## Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

## Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, prohibitions on cash contributions, returning contributions, and more.

# Instructions for Schedule B – Part 1 Loans Received

All loans received or outstanding are reported on Schedule B. Loans include monetary loans and amounts drawn on lines of credit.

Report loan guarantors on Schedule B – Part 2. A “guarantor” is a third party that co-signs, endorses, or provides security for a loan, or establishes or provides security for a line of credit. A guarantor is also making a contribution.

When a state candidate guarantees a loan from a commercial lending institution in connection with his or her election, both the lending institution and the candidate are required to be disclosed as the lender.

For each loan of \$100 or more that was received or was outstanding during the reporting period, disclose the lender’s name and address. Report the original source of all loans received. E.g., for a loan from a commercial lending institution for which a candidate is personally liable, report the lending institution as the lender.

Column (a) – Enter the outstanding loan balance at the beginning of this period (Column (d) of last report). If the loan was received this period, this column will be blank.

Column (b) – Enter the amount received from the lender during this reporting period. If this loan was received in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. When the lender forgives a loan or a third party makes a payment on a loan, also report the lender or third party on Schedule A.

Column (d) – Enter the outstanding balance of the loan at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and the amount of interest paid on the loan(s) during this reporting period. Interest paid is reported separately from payments made on the loan principal. Interest payments are also transferred to the Schedule E Summary.

Column (f) – Enter the original amount of the loan and date received. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – Enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) received from the lender during the calendar year covered by this statement. Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

## Schedule B Summary:

The Schedule B Summary reflects the “net change” in your loan activity. That is, loan payments made during the period are subtracted from new loans received. When the loan payments number is larger than the amount of new loans received, Line 3 will be a negative figure. For example, if \$200 is paid during the period and only \$100 is received in new loans, report the net change on Line 3 as

“-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

## Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor codes
- Contributions from individuals
- Contributions from committees
- Intermediaries

A loan received from a commercial lending institution in the normal course of business is reportable on Schedule B but is not considered a contribution. Contributor codes and cumulative amounts (Column (g)) are required only for loans that are contributions.

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash contributions, returning contributions, and more.

Loan Guarantors**

Guarantors of loans received or outstanding during the reporting period are reported on Schedule B – Part 2. A “guarantor” is a third party that co-signs, endorses, or provides security for a loan, or establishes or provides security for a line of credit. A guarantor is also making a contribution.

For each guarantor of \$100 or more, enter the name and address of the guarantor and, if the guarantor is an individual, his/her occupation and employer or, if self employed, the name of his/her business.

Enter the name of the lender or the entity at which a line of credit was established and the date of the loan or the date the line of credit was established.

Enter the amount guaranteed this period, if applicable. For lines of credit, enter the full amount established or secured by the guarantor during the period. (Report amounts **drawn** on a line of credit on Schedule B – Part 1.)

Enter the cumulative amount guaranteed during the calendar year covered by the statement. Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

# Instructions for Schedule C Nonmonetary Contributions Received

Report the receipt of nonmonetary contributions on Schedule C.

Nonmonetary contributions include:

- Goods and services for which you have not paid the fair market value, including items donated for auctions or garage sales, such as artwork or furniture.
- A discount that is not available to the public generally.
- Salary payments made by an employer for an employee who spends 10% or more of his or her compensated time in a calendar month working for your committee.

Volunteer personal services and payments voluntarily made by a person for his or her own campaign-related travel expenses are not reportable. The occupant of a home or office can host a fundraiser without making a nonmonetary contribution as long as the total cost of the fundraiser is \$500 or less.

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year. Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule C Summary.

## Date Received:

A nonmonetary contribution has been received on the earlier of the following: 1) the date the contributor made an expenditure for goods or services at your behest (in consultation or coordination with you, or at your request or suggestion); or 2) the date you or your agent obtained possession or control of the goods or services.

## Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

## Fair Market Value:

The fair market value of a nonmonetary contribution is the amount it would cost to purchase the goods or services on the open market. The fair market value can be more than the amount it cost the contributor to provide the goods or services to you.

If you do not know the value of a nonmonetary contribution, you may request the contributor to provide you with a written statement of the value. If you make a request in writing and the value of the contribution is \$100 or more, the contributor is required by law to provide the information.

## Administrative Services:

Administrative overhead and start-up expenses paid by a sponsoring organization for its sponsored committee are not contributions to the committee but must be reported on Schedule C. Report the value of the services in the "Description of Goods or Services" column and a zero in the "Amount" and "Cumulative to Date" columns.

## Nonmonetary Contributions as Expenditures:

The total of nonmonetary contributions is reported on the Summary Page as both contributions received and expenditures made. Enter the total on Line 3 of the Schedule C Summary on both Lines 4 and 10 of the Summary Page. (State Candidates: Most nonmonetary contributions also count for purposes of the voluntary expenditure limits.)

## Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor codes
- Contributions from individuals
- Contributions from committees
- Intermediaries

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, and more.

**Instructions for  
Schedule D  
Summary of Expenditures Supporting/Opposing Other  
Candidates, Measures, and Committees**

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose candidates and committees. These include:

- A direct monetary contribution or loan made to another candidate or committee.
- A payment made to a vendor for goods or services for a candidate or committee (a nonmonetary contribution).
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends 10% or more of his or her compensated time working for another candidate or committee.
- A payment made for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election, passage or defeat of a clearly identified candidate or ballot measure, but the payment is **not** made to—or at the behest of—the candidate or a ballot measure committee. These payments are “independent expenditures” and may trigger additional reports for your committee.

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, ballot measure, or a general purpose committee (e.g., a political party), disclose the name of the candidate and the office sought or held and the candidate’s district, if any, the number or letter and jurisdiction of the ballot measure, or the name of the general purpose committee. For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. For example, if you made a contribution to the Committee Against Measure A, check the “Oppose” box.

Disclose the date(s) and amount(s) of contributions or independent expenditures made this period relative to each candidate, measure, or committee, and the cumulative amount contributed or paid to date relative to the candidate, measure, or committee since January 1 of the current calendar year. Cumulate contributions and independent expenditures separately.

Contributions and expenditures of less than \$100 to support or oppose a single candidate or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule D Summary.

**Per Election to Date:**

If a contribution is made to a candidate that is subject to state contribution limits (or if required by local ordinance), disclose the total amount contributed to the committee in connection with each limitation cycle and identify the election year. The primary and general elections are separate elections. For example, a \$4,200 contribution to a candidate for the primary election in 2016 would be disclosed as “\$4,200 P-16.”

**Description:**

If you contributed goods on hand to another candidate or committee (e.g., office supplies), describe the goods or services in the “Description” column and disclose the fair market value of the contribution. The fair market value is the amount it would cost the recipient to purchase the goods or services. Because payments must be described when they are reported on Schedules E and F, you need not provide a description on Schedule D for payments reported on Schedules E or F that are nonmonetary contributions or independent expenditures.

**Date of Contribution or Expenditure:**

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted it to the candidate or committee. A nonmonetary contribution is made on the earlier of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee obtained possession or control of the goods or services.

**Additional Important Information:**

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash payments, restrictions on the use of campaign funds, and more.

# Instructions for Schedule F Accrued Expenses (Unpaid Bills)

Report unpaid bills for goods or services on Schedule F.

If the amount owed to a single vendor is \$100 or more at the end of the reporting period, you must disclose the name and street address, city, state, and zip code of the payee or creditor and the amount incurred during the period that is outstanding at the end of the period (Column (b)). Continue reporting the accrued expense on each subsequent campaign statement until it is paid.

You are not required to report on Schedule F regular administrative overhead expenses, such as rent, utilities, phones, or employee salaries if you have not received a bill in the normal course of business or if the due date for the payment is after the closing date of the statement.

If you do not know the exact amount of a debt or obligation, provide an estimate. Once the exact amount is known, amend the estimated amount or note the correct amount on the next campaign statement.

Unpaid bills of less than \$100 at the end of the reporting period are added together and included in the total reported on Line 1 of the Schedule F Summary.

When accrued expenses are paid, the payments are reported on Schedule E. Also report the payment on Schedule F, Column (c).

## Code or Description of Payment:

If one of the expenditure codes listed on Schedule F fully describes the payment, enter the code. A full description of each code is provided on the

back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the goods or services instead.

There are special instructions on the back of the Schedule E Continuation Sheet for coding and describing nonmonetary contributions and independent expenditures to support/oppose other candidates, committees, and ballot measures.

Accrued expenses that are nonmonetary contributions and independent expenditures must also be summarized on Schedule D when incurred.

## Credit Card Payments:

Disclose the name, address, and amount owed or paid to the credit card company during the period. Also disclose the name, address, amount paid, and code or description of payment for each vendor paid \$100 or more. You may disclose the vendor payments on Schedule F or Schedule G.

## Payments by Agents and Independent Contractors:

When an agent or independent contractor (e.g., campaign worker, advertising agency, campaign management firm) makes payments on your behalf ("subvendor payments"), disclose the name, address, amount paid, and code or description of payment for each vendor paid \$500 or more. Disclose amounts owed to the agent or independent contractor on Schedule F. You may disclose the subvendor payments on Schedule F or Schedule G.

Note: It is not necessary to reitemize credit card vendors or agent subvendors on Schedule F or G when payments are made on accrued expenses, or if an accrued expense is itemized on more than one statement.

## Forgiveness or Third Party Payment of an Accrued Expense:

If a creditor forgives or reduces an outstanding debt, or a third party pays a debt for you, report the transaction as follows:

- In the "Description of Payment" column, state that the debt was forgiven, reduced, or paid by a third party.
- Report the amount forgiven, reduced, or paid by a third party as a negative figure in the "Amount Incurred This Period" column (Column (b)).
- Report a nonmonetary contribution from the creditor or third party on Schedule C.

Do not report the forgiveness, reduction, or third party payment on Schedule E.

# Instructions for Schedule G Payments Made by an Agent or Independent Contractor

Report payments made on your behalf during the reporting period by an agent or independent contractor (such as a campaign management firm or an advertising agency) on Schedule G.

Schedule G may be completed by the agent or independent contractor and provided to you or Schedule G may be completed by you from information provided by the agent or independent contractor.

Report expenditures of \$500 or more (other than expenditures for the agent's or independent contractor's overhead and normal operating expenses) made on your behalf during the reporting period.

Once a subvendor payment has been itemized on Schedule E, F, or G, it does not need to be itemized again. For example, if a subvendor payment is reported on Schedule F or G as part of an accrued expense, the subvendor information does not need to be reported again on subsequent reports.

## Code or Description of Payment:

If one of the expenditure codes listed on Schedule G fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the payment instead.

**Important: Officeholders and candidates** may reimburse an agent or independent contractor for expenditures made on their behalf only if all of the following criteria are met:

- There is a written contract between the officeholder or candidate and the agent or independent contractor that provides for the reimbursement;
- The treasurer is provided with a dated receipt and written description of each expenditure prior to reimbursement; and
- Reimbursement is paid within 45 calendar days after the agent or independent contractor makes the expenditures.

Generally, if reimbursement is not paid within 45 calendar days, report the expenditure as a nonmonetary contribution on Schedule C.

Refer to the FPPC Campaign Disclosure Manual for your type of committee for additional instructions.

**Instructions for  
Schedule H  
Loans Made to Others**

All loans made or outstanding are reported on Schedule H.

Generally, campaign funds may be used to make loans to other candidates, officeholders, or committees (unless otherwise prohibited) and to bona fide charitable, educational, civic, religious, or similar tax-exempt nonprofit organizations. There are restrictions on loans to any other person, including a candidate who controls the committee, or to a nonprofit organization that is affiliated with a candidate, the treasurer, or other committee officials.

For each loan of \$100 or more that was made or was outstanding during the reporting period, disclose the recipient's name and address and, if an individual, his/her occupation and employer or, if self employed, the name of the business.

Column (a) – Enter the outstanding loan balance at the beginning of this period (column (d) of last report.) If the loan was made this period, this column will be blank.

Column (b) – Enter the amount loaned to the recipient during this reporting period. If this loan was made in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. If the committee forgives a loan, also report the transaction on Schedule E.

Column (d) – Enter the outstanding balance of the loan(s) at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and amount of interest received on the loan(s) during this reporting period. Interest received is reported separately from payments received on the loan principal. Interest payments are also transferred to the Schedule I Summary.

Column (f) – Enter the original amount of the loan and date made. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – For each loan made during this reporting period that is a contribution,\* enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) made to the recipient during the calendar year covered by the statement. If the recipient is a candidate subject to state contribution limits, or the information is required by local ordinance, also enter the total amount contributed to the candidate in connection with each limitation cycle and identify the election year. (For contributions to state candidates, see the Schedule D instructions.)

**Schedule H Summary:**

The Schedule H Summary reflects the “net change” in the committee’s loan activity. That is, repayments received are subtracted from new loans made. When the repayment number is larger than the amount of the new loans made, Line 3 will be a negative figure. For example, if \$200 is received by the committee during the period and only \$100 is made in new loans, report the net change on Line 3 as “-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash contributions, loan restrictions, and more.

\*Loans that are contributions to candidates or other committees must also be reported on Schedule D.

Miscellaneous Increases to Cash**

Report any transaction that increases the cash position of the officeholder, candidate, or committee, but is not a monetary contribution, loan, or loan repayment, on Schedule I.

Itemize the sources of \$100 or more received during the reporting period.

Examples include:

- Interest received or credited to checking or savings accounts or other time deposits.
- Proceeds from the sale of property, such as paintings, furniture, or other items sold at garage sales or auctions, etc., when the amount received is the “fair market value” of the item. Amounts received over the fair market value are reported on Schedule A. (Report donated items as nonmonetary contributions on Schedule C.)
- Proceeds from the sale of campaign property, such as office furniture or equipment.
- Refunds received on deposits, such as telephone deposits.
- Refunds received from overpayment of bills.

- Transfers received from another authorized committee of the same candidate. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1 for information about reporting transferred funds that must be attributed to specific contributors of the committee making the transfer.)

Report on Line 3 of the Schedule I Summary the lump sum of interest payments received on loans made to others. Do not itemize. This amount is transferred from Schedule H, Column (g).

# Officeholder and Candidate Campaign Statement — Short Form - AND - Form 470 Supplement

CALIFORNIA  
FORM

470

## Who Uses Form 470:

Form 470 is for use by officeholders and candidates who:

- do not have a controlled committee;
- do not anticipate receiving contributions totaling \$2,000 or more during the calendar year; and
- do not anticipate spending \$2,000 or more during the calendar year.

Officeholders and candidates who have a controlled committee or who have raised or spent \$2,000, file the Recipient Committee Statement – Form 460.

## Exceptions:

The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or Form 460):

- candidates for county central committee offices that do not raise or spend \$2,000 or more in a calendar year;
- officeholders whose salaries are less than \$200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and
- judges who do not receive contributions and who make personal expenditures of less than \$1,000 or more in non-election years.

## Period Covered:

The period covered is always the calendar year (January 1 through December 31).

## \$2,000 Threshold:

To determine if \$2,000 has been raised or spent, or will be raised or spent, the candidate's personal funds for the filing fee or statement of qualifications are excluded.

A campaign bank account must be established if the candidate receives contributions from other persons.

## When to File:

Ensure campaign deadlines are met. Go to [www.fppc.ca.gov](http://www.fppc.ca.gov) for campaign disclosure filing schedules.

If the Form 470 is filed in connection with an election, or on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need to be filed for that calendar year as long as total contributions received remain less than \$2,000 and total expenditures made remain less than \$2,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon.

The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first preelection statement in connection with an election, covering the year of the election. If, after filing Form 470, receipts or expenditures reach \$2,000 or more, see the attached Form 470 Supplement for important reporting requirements.

## Where to File:

### State Elections:

State officeholders, state candidates, candidates and members of CalPERS and CalSTRS, judges and judicial candidates must file the original and one copy with:

Secretary of State  
Political Reform Division  
1500 11th Street, Room 495  
Sacramento, CA 95814  
Phone (916) 653-6224  
Fax (916) 653-5045  
[www.sos.ca.gov](http://www.sos.ca.gov)

## Additional Copies:

A copy of the Form 470 must also be filed with the candidate's county of domicile's filing officer. CalPERS and CalSTRS board candidates must file a copy of the Form 470 with the relevant CalPERS or CalSTRS office and not the candidate's county of domicile.

## Local Elections:

- Elected officers and candidates for local multi-county agencies file an original and one copy with the elections official for the county with the largest number of registered voters in the district and one copy with the candidate's county of domicile.
- Elected county officeholders and candidates for county offices file an original and one copy with the elections official for that county.
- Elected city officeholders and candidates for city offices file an original and one copy with the city clerk.

**Note:** A local agency may impose additional requirements.

**Amendments:** If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment. Be sure to enter the calendar year covered by the statement you are amending and the date of election, if applicable.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual.

**2. Treasurer and Other Principal Officers:**

A committee may have only one treasurer and one assistant treasurer. A candidate may be his or her own treasurer or assistant treasurer. A committee may not accept a contribution or make an expenditure without a treasurer.

A committee that is not controlled by a candidate or officeholder must disclose the name, street address, and telephone number of the committee's principal officer(s). The principal officer(s) of a committee are the individual(s) primarily responsible for approving the political activity of the committee, including authorizing the content of communications, authorizing contributions and other expenditures, and determining strategy. If more than three individuals qualify as principal officers of the committee, identify no fewer than three.

If no individual other than the committee treasurer qualifies as a principal officer, identify that individual as both the treasurer and the principal officer. An attachment may be necessary.

**3. Verification/Original Ink Signature(s):**

The Form 410 filed with the Secretary of State must contain an original signature(s). The committee treasurer or assistant treasurer must sign the Form 410. Also, each controlling officeholder, candidate or state ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

**Bank Account Information**

- Qualified committees must list the name and address of the financial institution where the campaign bank account is located and the bank account number.
- non-qualified committees are not required to list a bank account.

**4. Type of Committee:**

**Controlled Committee**

A "controlled committee" is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

"Proponents" of state measures are persons who request the Attorney General to prepare a title and summary of a state initiative, referendum, or measure.

**Candidate Election Committee:** Identify the candidate's last name, office, election year and party, if applicable.

**Ballot Measure Committee Controlled by State**

**Candidate:** Identify each measure on which the committee has spent or anticipates spending \$50,000 or more in the current two-year period, beginning with January 1 of an odd-numbered year. If the ballot designation has not been assigned, describe the purpose of the anticipated measure(s). Amend the Form 410 when a ballot designation is assigned. Provide this information in the primarily formed or general purpose section or on an attachment.

**Legal Defense Committee:** On an attachment, describe the specific legal dispute(s) for which the legal defense fund was established. The Form 410 must be amended within 10 days when legal disputes are either resolved or new disputes are initiated.

**Primarily Formed Committee**

A committee is "primarily formed" when it makes or initially plans to make more than 70% of its contributions and expenditures to support or oppose a specific candidate or measure, or a group of measures or specific local candidates all being voted upon in the same election on the same date. (FPPC Regulation 18247.5)

**New committees:** A new committee formed within six months of a statewide regular election or within 30 days of a state special election is presumed to be primarily formed if the committee makes at least \$25,000 in independent expenditures to support or oppose a state candidate or measure. Monthly review is required for other new committees that spend at least \$1,000 a month and were formed within six months of an election in connection with which the committee makes contributions or expenditures.

Quarterly review at the end of March, June, September and December is required for other committees.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

**State ballot measures - qualification ID number:** Certain committees must list in Section 4, Primarily Formed Committee, the Attorney General's Office assigned identification number to a proposed state ballot measure:

- A committee submitting the title and summary;
- A committee primarily formed for the measure; or
- A committee that spends \$100,000 or more on petition circulation for the measure.

**Recall Committees:** A committee supporting or opposing a recall must list "Recall [Officeholder's Name]," the office held by the recall target officeholder, and mark the appropriate box to indicate whether the committee supports or opposes the recall of the officeholder.

## General Purpose Committee

A committee is a “general purpose committee” if its principal activity is supporting or opposing a variety of candidates or measures voted on in different elections. (FPPC Regulation 18227.5)

- A **state committee** makes contributions or expenditures to support or oppose candidates or measures voted on in state elections, or in more than one county; it does not make over 70% of its contributions or expenditures in a single local jurisdiction. State contributions include contributions to other state general purpose committees. *All political party committees that meet the requirements as a political party pursuant to Elections Code Section 5100 (Government Code Section 85205) (including county central committees) are state committees.*
- A **county committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.
- A **city committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

*A city or county committee may make up to four contributions in a calendar year to candidates for elective state office whose districts are within the same jurisdiction and is not required to change its status to a state committee.*

A committee that has made contributions or expenditures of \$5,000 or more during a quarter must review its activity at the end of March, June, September and December to determine if the committee is filing reports in the appropriate

jurisdiction. During the first six months, a new committee must check its jurisdictional status each month the committee makes expenditures of \$1,000 or more. If a change of filing locations occurs, reports must be filed in both the new and old jurisdiction through the calendar year.

After marking the appropriate state, county or city box, provide a brief description of the committee’s political activities such as whether it supports candidates or measures that share a common political affiliation.

## Sponsored Committee

A “sponsored committee” is a general purpose or primarily formed committee, other than an officeholder or candidate controlled committee, that has one or more sponsors.

An organization, business, or other entity is a sponsor if one or more of the following apply:

- The committee receives 80% or more of its contributions from the entity or organization or its members, officers, employees, or shareholders.
- The entity or organization collects contributions for the committee by use of payroll deductions or dues from its members, officers or employees.
- The entity or organization, alone or in combination with other entities or organizations, provides all or nearly all of the administrative services for the committee.
- The entity or organization, alone or in combination with other entities or organizations, sets the policies for contribution solicitations or payment of expenditures from committee funds.

See the instructions for Part 1 for a sponsored committee’s name requirements.

## Small Contributor Committee

A “small contributor committee” is one that has been in existence for more than six months; receives

contributions from 100 or more persons; makes contributions to five or more candidates; and has not received more than \$200 from one person in a calendar year.

## 5. Termination Requirements

Recipient committees may only terminate when:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

**State Candidates:** There are mandatory termination deadlines applicable to your committees.

## How to Terminate

After the termination requirements above are met:

**State Committees:** Complete page one of the Form 410 and mark the termination box. Send the Form and last Form 450 or 460 (mark the termination box) to the Secretary of State.

**Local Committees:** Complete page one of the Form 410, mark the termination box and send the Form to the Secretary of State. Send a copy of the Form 410 and last Form 450 or 460 (mark the termination box) to your city or county filing officer.

## Recommendations for Minimizing Cyber Risk

Political parties, candidates and elections administrators cannot be alone in the fight against malicious actors who seek to undermine our elections. As political campaigns and organizations are targets of cyber threats, they too have a role and responsibility in defending our democracy. **Your actions are critical in maintaining public trust in our elections** and minimizing the threat of cyber incidents.

As an integral part of protecting our democracy, I wish to remind you to **take preventative measures to reduce the likelihood and severity of cyber incidents.**

### Recognized best practices for minimizing risk:

- (1) Establish an information security framework that allows your team to identify threats, create safeguards, detect incidents, respond quickly, and recover with resilience;
- (2) Control access to data and information systems; monitor vendors, contractors, and employees; and know what your users are doing with your data;
- (3) Beware of social engineering attempts, such as phishing emails, aimed at acquiring confidential or personal information from phone, email or other communications;
- (4) Educate your employees and volunteers on cybersecurity best practices, including how to recognize a phishing email, creating and maintaining strong passwords or passphrases, utilizing two-factor authentication, and avoiding dangerous applications;
- (5) Ensure your software and hardware security is up to date and properly configured;
- (6) Monitor user activity;
- (7) Back up your data;
- (8) Run regular security audits, assessments, and penetration testing; and
- (9) Monitor social media for false or misleading election information. Report such posts to social media platforms and the **California Secretary of State's Office of Election Cybersecurity** at [cybersecurity.sos.ca.gov](https://cybersecurity.sos.ca.gov).
