Request for Remote Accessible Vote by Mail Ballot

Remote Accessible Vote by Mail Ballot (RAVBM) allows voters with disabilities the option to receive and mark their ballot electronically. Due to the Executive Order #N-64-20, this has been extended to **all voters for this election only**. Once the voter completes and reviews their ballot, it must be printed and mailed back to the Elections Office postmarked by Election Day, November 3, 2020.

To request a Remote Accessible Vote by Mail Ballot, complete the application below. We will then send email confirming your application. A separate email with voting and ballot instructions will be sent to you. Please contact the Elections Office with any questions at 530-934-6414.
