

SUSTAINABLE GROUNDWATER MANAGEMENT

KNOW HOW TO BE INFORMED

GSA Map Viewer

FIND YOUR SUBBASIN.

USE THE GSA MAP VIEWER

Use the Department of Water Resources GSA Map viewer to find your subbasin and determine which Groundwater Sustainability Agency represents you.

<https://sgma.water.ca.gov/webgis/index.jsp?appid=gasmaster&rz=true>

READ & SHARE INFORMATION.

USE THE GLENN COUNTY SUSTAINABLE GROUNDWATER MANAGEMENT STORY MAP

The Glenn County Sustainable Groundwater Management Story Map provides background information and resources to stay informed. Read the map and share with other people you think will benefit. <https://arcg.is/1GbOXC>

SEARCH FOR MEETING DATES.

USE GLENN COUNTY WEBSITE TO FIND MEETING DATES AND LOCATIONS

Glenn County Water Resources webpages list opportunities for public involvement and meeting dates and locations for several Groundwater Sustainability Agencies

<https://www.countyofglenn.net/dept/agriculture/water-resources/welcome>

BE INVOLVED.

PARTICIPATE WHEN POSSIBLE

Groundwater Sustainability Agencies invite public participation and involvement. Actively participate by attending meetings & public workshops, submit comments, call local staff, and participate in other opportunities when available.

SIGN UP FOR INFORMATION.

ADD YOUR EMAIL TO THE INTERESTED PARTIES LIST

Add your email to the Interested Parties List to receive direct meeting notifications and other important notifications. Use the form below to fill in your information, detach, and return to Water Resources staff to be added to the list.
