

## COVID-19 Related Medical and Health Resource Request

Note: All Medical and Health Resource Requests fall under scarce allocation guidelines. Please answer the following questions if requesting resources. Thank you.

- How will the resources be utilized? (By Item)
  
- How many do you currently have in your inventory? (By Item)
  
- What is your daily burn rate or anticipated burn rate? (By Item)
  
- If requesting N-95's are you willing to accept expired respirators? Currently available in the state stockpile are expired (3M 1860, 1860S, 1870) N95 Health Care Particulate Respirator and Surgical Masks.
  
- Advise if there is an immediate need.
