INSTRUCTIONS FOR FILING APPLICATION FOR HOME OCCUPATION

Home occupations may be permitted in the “RZ”, “FA”, “AE”, “AT”, “RE”, “RE-NW”, “R1”, “RM”, “AP”, and “FS” zones.

Please consult with the Planning and Community Development Services Agency prior to submitting an application to ensure compliance with all requirements of the Glenn County Code. The current application fee is as listed in the Glenn County Master Fee schedule.

It is advisable to obtain Building Department and Health Department requirements prior to submitting an application. The applicant shall submit evidence that the proposed operation meets the requirements of the Glenn County Health Department at the time the application is submitted. This application is for the use of the property and in no way guarantees the acceptability of the site for onsite sewage disposal systems.

An Administrative Permit is required for home occupations on parcels of ten acres or more in size when the use will be located in a building other than the primary residential structure

A Conditional Use Permit is required for home occupations on parcels less than ten acres in size when the use will be located in a building other than the primary residential structure.

No home occupation permit shall be issued for automobile, truck, or heavy equipment repair.

Home occupations shall mean any use customarily conducted entirely within a building or screened from public view and carried on by the owners and occupants of the residence thereof. The use shall be incidental and secondary to the residential use and does not change the character thereof or shall not adversely affect the uses permitted in the same zone of which it is a part, but would require a conditional use permit (Glenn County Code §15.78.010).
