

HOW TO USE YOUR VISION PLAN

Using a vision plan administered through MESVision® is easy . . .

Just follow these three simple steps:

- **Select a provider**

Select a participating vision care provider by using the MESVision® provider search feature on our website at www.MESVision.com. Obtaining services from a Participating Provider will maximize your benefits.

- **Make an appointment**

Make an appointment with the Participating Provider of your choice and inform them of your vision coverage.

- **You're done!**

Your participating vision care provider will take care of the rest. The Participating Provider will contact MESVision® to verify your eligible benefits and submit a claim for services covered by your plan.
