

DEPUTY DIRECTOR HEALTH AND HUMAN SERVICES

DEFINITION

Under executive direction, the Deputy Director is responsible to plan, supervise and review the activities and operations of the Health and Human Services Agency. Deputy assignments may be in one or more of the following program areas: Behavioral Health, Public Health, Social Services, Community Action, or Administration.

The Deputy is responsible to coordinate assigned program activities with other departments and outside agencies; to provide highly responsible and complex administrative support to the Health and Human Services Agency Director.

DISTINGUISHING CHARACTERISTICS

The predominant focus of the position is to assist in the management, planning and coordination of the operations and activities of the Health and Human Services Agency. The Deputy may act on behalf of the Agency Director in his/her absence. The incumbent exercises discretion in applying general goal and policy statements and in resolving organizational and service delivery problems. The Deputy Director develops and implements department goals, objectives, policies and priorities, and ensures that assigned activities are completed in a timely and efficient manner consistent with defined policies and regulations.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Health and Human Services Agency Director; exercises direct supervision over professional and management staff.

EXAMPLES OF DUTIES

Duties may include, but are not limited to, the following:

Develops, plans and implements goals and objectives for department programs; recommends and administers department policies and procedures.
