

**HEALTH AND HUMAN SERVICES AGENCY CASE MANAGER I/II
ALCOHOL AND DRUG PROGRAMS**

DEFINITION

Performs a variety of para-professional and responsible eligibility determination and case management duties for alcohol and drug programs, including crisis services to individuals; and performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS

Health and Human Services Agency Alcohol and Drug Case Manager I: Under general supervision, this is the entry-level class in the HHSAA Alcohol and Drug Case Manager Series. This class is distinguished from the HHSAA Alcohol and Drug Case Manager II by the performance of the more routine tasks and duties assigned to positions within the series. Since this class is typically used as a training class, employees may have only limited directly related work experience.

Health and Human Services Agency Alcohol and Drug Case Manager II: Under general supervision, this is the full journey-level class within the HHSAA Alcohol and Drug Case Management Series. Employees within this class are distinguished from the HHSAA Alcohol and Drug Case Manager I by the performance of the full range of duties as assigned, responsible for direct client contact in the provision of case management including complex cases. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and are fully aware of the operating procedures and policies of the work unit.

SUPERVISION RECEIVED AND EXERCISED

Health and Human Services Agency Alcohol and Drug Case Manager I: Receives general supervision from the higher-level Health and Human Services Agency Case Manager III, coordinator or management staff.

Health and Human Services Agency Alcohol and Drug Case Manager II: Receives general supervision from the higher-level Health and Human Services Agency Case Manager III, coordinator or management staff; may provide lead oversight to lower-level staff as assigned.
