THE SELECTION PROCESS

Candidates must submit a completed job application, resume and cover letter. Application packets will be screened and candidates considered best qualified will move forward to a competitive examination process, which may include a written exam, practical skills exam, an oral interview, fingerprinting/background check or medical examination process if applicable. Eligible lists are used for Full-Time (40 hrs./wk. with benefits), Part-Time (20-39 hrs./wk. with benefits), and Public Service employee (PSE) temporary (limited benefits).

THE POSITION

This position plans and coordinates a variety of health and human services agency programs that provide effective services to Glenn County clients; and provides supervision for lower level clinical, administrative and clerical staff, housing rehabilitation/energy workers and performs related duties as assigned. The Program Coordinator has responsibility for directing and organizing a health and human service program(s), and for providing supervision over assigned staff. The Program Coordinator series is distinguished from the Senior Health and Human Services Agency Program Coordinator in that the Program Coordinator, coordinates routine programs that do not encompass crisis services and are substantially different in the nature, impact and scope of the programs. This position is scheduled for forty (40) hours per week.

THE IDEAL CANDIDATE

The ideal candidate will be able to analyze situations accurately and take effective action as needed. This person will be familiar with principles and practices of caring for clients with drug, alcohol, mental health, and tobacco abuse issues. They will be knowledgeable in the application of administration duties and behavioral health systems.

WHAT YOU'LL DO

- Coordinates and directs public health nursing, substance abuse, mental health, or health education services to clients, including clinical care and counseling and public health instruction and education.
- Coordinates specific, targeted public and mental health programs as assigned; coordinates activities of program team members as appropriate.
- Develops scope of work, goals and objectives, strategies and timelines, and protocols for a variety of health and human services programs.
- Participates in program budget planning and management.
- Coordinates services with other County programs and outside social service agencies serving the same populations.
- Organizes and facilitates in-house and inter-agency program meetings, conferences and workshops as required.
