The narrative shall include: proposed uses, number of employees, proposed hours of operation, traffic count, types and quantities of any storage of material, any processing of material, etc. Additionally, explain why the establishment, maintenance or operation of the use of the proposed project, will not, under the circumstance of the particular case, be detrimental to the health, safety (including traffic safety), and general welfare (peace, morals) of persons residing or working in the vicinity, or injurious to property and improvements in the vicinity.

In order to consider approval of the Conditional Use Permit, the application should demonstrate that the proposed project would meet all applicable minimum requirements as established in Glenn County Code Title 15, Development Standards, Part 1 Performance Standards, Chapters 15.560 through 15.620. Uses which are not in compliance with all applicable performance standards are allowed with approval of a Conditional Use Permit. Any deviations from the performance standards will need to be specifically addressed and approved during the Conditional Use Permit process. The performance standards shall not be construed as preventing the review authority, as part of any discretionary approval, to require more restrictive standards as deemed necessary.

According to Section 65943 of the California Government Code, your application shall be reviewed by the County within 30 days from the filing date to determine the completeness of the application. You shall receive written notice if the application is determined to be incomplete. Please note that acceptance of the application as complete is not an indication of approval.

If the application is deemed incomplete for further processing, the applicant may appeal this decision to the Planning Commission by filing a Notice of Appeal with the Planning & Community Development Services Agency within ten (10) days from the date of the written notice (Glenn County Code §15.050.040). The Notice of Appeal shall be submitted in writing and accompanied by appeal fee as listed in the Glenn County Master Fee Schedule.
