capacity of 148 inmates was overstated in the plan, and actual max capacity was less than 120 inmates. Chief Thompson mentioned it was the amount approved in the last CCP Plan, but if there were any changes to be made in any of the sections, we would incorporate them into the plan. Mr. Gruendl asked for what period the data should cover, where Chief Thompson mentioned it would be from July 2013-June 2014. Mrs. Bartlett asked if there was any data needed from her, where it was thought that probation may have the numbers they may need from them, but that Mrs. Bartlett would work together with DCPO Beatty on reviewing the data that would be needed. To give ample time to make all the necessary changes to the plan, and have it ready for review by our next CCP Meeting of September 30, 2014, it was requested that all information be given to DCPO Rick Beatty by the end of the business day on September 23, 2014.

4B: Chief Thompson discussed compensation for the Public Defender, reiterating what was said earlier, such as the importance of the public defender's presence at the CCP Meetings, and how they do not receive compensation for attending those meetings. Also, time spent on AB109 cases could be billed to the Public Defender/District Attorney's budget. CPO Thompson shared the \$150 hourly rate that he and DCPO Beatty had discussed being appropriate rate, and asked what everyone thought. He then opened for discussion, where Sheriff Jones asked if there were provisions to do so, where Chief Thompson responded that there was a standalone budget that is available to both the Public Defender and the District Attorney. After discussion among the CCP members was had regarding the rate and how it should be paid, Mr. Gruendl moved to approve compensation retroactively to July of 2013 forward, at the rate of \$150 an hour to attend CCP meetings, seconded by Sheriff Jones. Motion passes with 3 ayes, Chief Thompson, Sheriff Jones, and Scott Gruendl, and with Albert Smith and Janelle Bartlett abstaining.

4C: The next meeting was scheduled for September 30, 2014. It will be held in the Jail Conference Room at 1:30 PM.

The meeting was adjourned at 1:55 PM.
