

Submitted by Betsy Karle, County Director

March 20, 2020

UC Cooperative Extension is currently closed to the public, **but we are still working!**

Our Community Education Specialists and Advisors are working remotely and are available via email, mobile phone, zoom and other virtual communications technologies. County staff are in the office during regular business hours and are available via phone and email.

530-865-1107

glenn@ucanr.edu

Please call the office if you need access to educational materials or curriculum and staff will bring the items to you.

Programmatic Contacts

Climate Smart Agriculture Community Education Specialist, Dana Brady is available to assist growers in applying for cost-share funds from CDFA's Climate Smart Agriculture programs (<https://www.cdfa.ca.gov/oefi/>). She can also assist growers who have received awards under the programs with filing paperwork with CDFA and implementing the cost-shared Climate Smart Agriculture practices. Email: dnbrady@ucanr.edu, 530-517-8187- mobile.

4-H Youth Development Community Education Specialists, Christine Kampmann and Sara van Tol are working remotely. Christine is working with colleagues to compile educational resources that can be delivered virtually. Staff can schedule Zoom meetings for volunteer leaders to deliver educational programming. Resources for remote 4-H programming will be discussed during virtual office hours, Wednesdays 6:00-7:00 pm <https://ucanr.zoom.us/j/809099811>. Email: ckampmann@ucanr.edu (Christine- Community Education Specialist), ljeddy@ucanr.edu (Lea- 4-H Admin). Phone the office to have messages routed to appropriate staff: 530-865-1107.

Master Gardener: In person plant clinics are canceled until further notice, but home landscape inquiries can be submitted online (<https://ucanr.edu/sites/glennmg/> at the bottom of the page) or by calling the office at 530-865-1107.

Farm Advisor Programs- All Advisors are available via email and messages can be routed by calling the office- 530-865-1107. Critical research projects are continuing.
