

Program Manager Report

May 13, 2019

Administrative Updates:

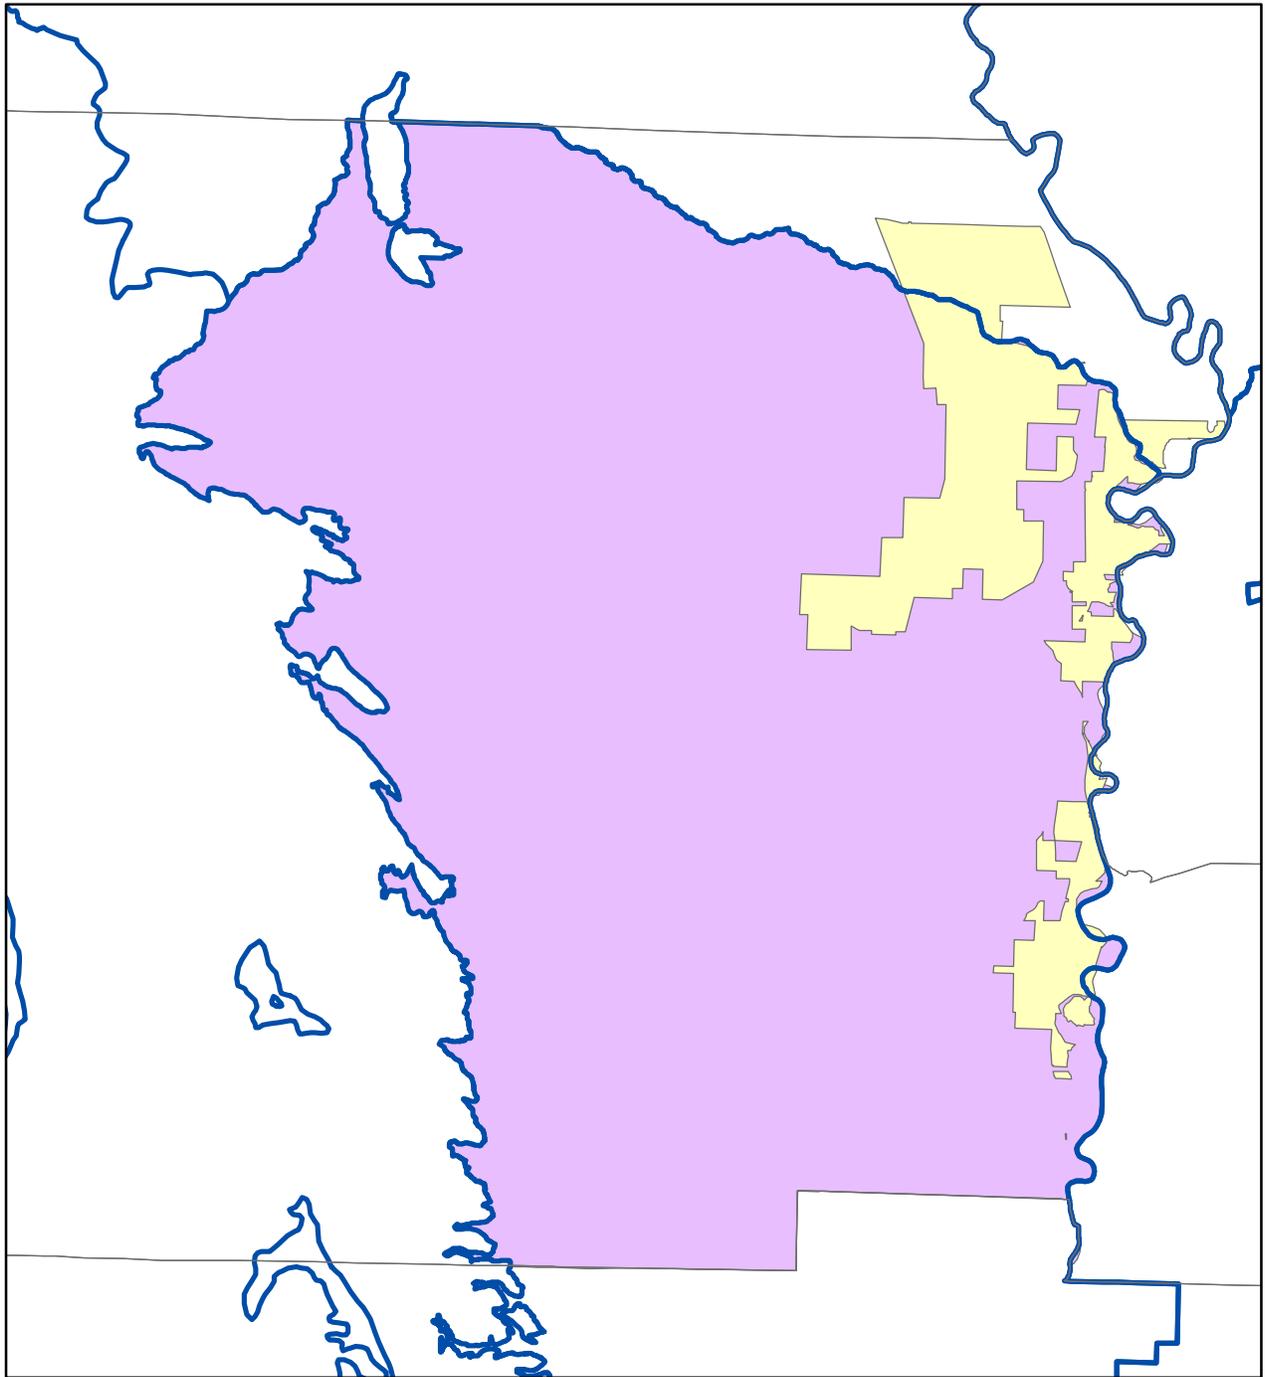

- Continued coordination with Mary Fahey, Colusa Groundwater Authority (CGA), and others as needed to organize and direct joint tasks and upcoming activities.
- Completed and submitted GSRMA Contribution Indication for 2019-2020 confirming no employees.
- Continuing to distribute SGMA Fact Sheet, Subbasin Fact Sheet, and email distribution list sign-up sheet during grower permit renewals.
 - About 59 new individuals have been added to the contact list through this process.
- Attended the Glenn Ground Water District Board meeting- May 1, 2019.
- Upcoming: Bylaws- Working with Executive Committee/Legal Counsel to update Article 7.1 concerning signatures on checks to agree with the County's protocol.

Project Updates:

- Outreach
 - Updates provided at the Integrated Regional Water Management (IRWM) Technical Advisory Committee (TAC)- April 17, 2019.
 - Upcoming: Updates at the IRWM TAC- May 15, 2019
 - Upcoming: Updates at the IRWM Board- June 3, 2019
 - Upcoming: Speaker at the Groundwater Resources Association GSA Summit (June 5-6)
 - Upcoming: Speaker at the Sacramento Valley Olive Day (June 18)
- Colusa Subbasin GSP Development Proposition 1 Grant (CGA contracting agency)
 - Progress Report and Invoice #2 were submitted.
 - GGA invoiced CGA for project costs totaling \$2,821.50.
- HCM/Water Budget Project Update
 - Continuing bi-weekly meetings with M. Fahey, B. Clark, L. Hunter on project updates.
 - Team still waiting for release of the updated C2VSim FG from DWR which is expected in 2nd quarter of 2019. CGA/GGA TACs will recommend a date for moving forward with or without the C2VSim release.
 - Moving forward with water budget information developed previously for projects in Glenn and Colusa Counties to review with individual water suppliers.
 - Preparation for refinements that may be necessary in C2VSim.
- Technical Support Services (TSS) Project (Monitoring well installation near Arbuckle) (CGA is DWR's point of contact)
 - A new site location has been selected.
 - DWR is in the planning phase of the project.
 - CGA will continue coordinating with DWR and update GGA staff on progress.
 - This does not preclude the Colusa Subbasin from requesting additional technical support, which could include additional monitoring sites in the GGA portion of the subbasin.

- It is anticipated the TAC will review and make a recommendation on any proposed monitoring sites in the GGA area.
- Facilitation Support Services (CGA lead)
 - Continued coordination with CCP and CGA on the draft Stakeholder Communication Engagement Plan.
 - Contract ended March 31.
 - An extension was requested in order to have facilitation support for public outreach meetings.
 - Waiting to hear if contract extension is approved.
 - L. Hunter and M. Fahey will provide input, continue to work toward filling in tables included in the report, and coordinate review with committees.
 - Stakeholder Engagement Committee received a copy and will provide input at their next meeting.
- CGA/GGA MOU
 - V. Kincaid has been instrumental in developing the draft MOU.
 - Following GGA Executive Committee comments, the draft MOU was forwarded to M. Fahey requesting the CGA Executive Committee review and provide comments.
 - The CGA Executive Committee has not yet provided input.
 - It is likely that a Joint Executive Committee meeting will take place to discuss the MOU (timeline currently unknown).
 - Following CGA and GGA Executive Committee reviews, the draft will be brought to both Boards for review, comment, and consideration of approval.
- Long-Term Funding
 - Budget, schedule, and parcel tasks
 - A report on progress will be given under a separate agenda item.
